

NERA

“Why do the Interdimensionals fight among themselves?”

“Their only goal is power and as they get close to the source of power they realize how they have to exclude their enemies. At the same time, those that they are working for also recognize what’s going to happen so they take the necessary steps to safeguard the world. Then the world splits into good angels and bad angels.

“Steven, I have done a lot of bad things.”

“Farley, you’re gonna do a lot worse before this is through!”

“I didn’t think that we were going back to this godforsaken place.”

“They have good French fries.”

“That is so full of shit!”

“We are going to have to review before we carry on.”

“It is better to rule in a shit hole, then serve in a sink hole.”

“What does that mean?”

“You are fucking my story!”

“I am so happy for you!”

“Whew!”

“I need a scorecard!”

“Where are we going?”

“We are on the way to Nera.”

“To rescue her or to capture her.”

“Our mission will unfold as we go along.”

“She will kill us before we can do anything to her.”

“We will be too far along before we understand our role.”

“I know what I am looking for!”

“This is so fucked up.”

“Farley, are you helping me?”

“Farley, are you helping me?”

“We cannot be helped. We do not have a surplus of consciousness.”

“This is so good!”

“It is not as if we obey orders. We just do what makes sense.”

“Sensible!”

“Your table is ready.”

“You can have all your fantasies satisfied.”

“That is Nera’s promise.”

“This is scary as shit.”

“I have no idea what to expect.”

“She is cursed. You may never be able to escape.”

“This was not planned.”

“There are phases. There is guilt and innocence.”

“Is there one innocent person in this story?”

“Watch out for Rex and Kiara!”

“We are meant to conquer them and their infernal powers.”

“They see us as riven with pleasure.”

“Where is this going?”

“We are facing a major challenge. We will have to put an end to their reign. We have a little choice.”

“I did not want to be such a threat to the survival of humankind.”

“We have our own reasons.”

“There are many versions.”

“What to wear to conduct these operations.”

“We have to protect ourselves.”

“There is reality and taste, adornment and function.”

“Where is this going?”

“We need to triumph.”

“There will be great deeds. Challenges accepted.”

“Why are we doing this. We really believe that our lives mean so much more than they do.”

“We are heroes. We cannot be anything less.”

“We are more comedians. Making excuses for ourselves.”

“This is such a brilliant contrast.”

“Do we have to fear betrayal in our midst?”

“One for all and all for one.”

“Farley, do not let yourself get out of control.”

“Farley, do not let yourself get out of control!”

“She does a great long shot.”

“That is where we are going. We need a sponsor for our exploits.”

“My fair creature, can we fight to defend your honor?”

“Are we really going to say that kind of shit? We are not living in some kind of fantasy. This is real gut-rending shit!”

“We need a purpose.”

“We can fight for a higher purpose.”

“We need a sponsor.”

“I never want to come down.”

“Hear that scream of the banshees!”

“That is what is meant to inspire us.”

“Who were you trying to escape?”

“What did I do wrong?”

“You didn’t give a chance.”

“What does that mean?”

“You make me feel wonderful!”

“I feel as if we are in a children’s story. There needs to be more grit.”

“I am the grit!”

“I can make something out of that.”

“Only if it is in the head.”

“Does it hurt?”
 “Immensely.”
 “Say something.”
 “My words fail me.”
 “We have to learn how to use our words to help us get what we need.”
 “How does that work? We are men of action?”
 “I do not need to hear that. Actions without proper motivation is like n action at all.”
 “This is getting too complex to think about.”
 “I do what I do.”
 “Things are turning against us.”
 “We need to be prepared for whatever might follow.”
 “This is not a tap dance.”
 “We have no idea what is to come.”
 “Ask!”
 “Someone has to ask. That is what makes us knights.”
 “We are fools. We do what we do.”
 “Someone like me does not have that much consciousness.”
 “This is so far beyond me.”
 “That did not work for me.”
 “There is a noise factor.”
 “Do you want to reveal?”
 “We cannot really be trusted with revelation.”
 “What is virtue? Too much knowing, or not enough.”
 “I could have succeeded.”
 “That is what they all say.”
 “Write very quickly.”
 “Where is this going?”
 “You cannot stop me now.”
 “We should not fight among each other.”
 “What are you wondering?”
 “We make mistakes. And that only diminishes our unity.”
 “I want to believe that we are not motivated by our impulses.”
 “Are you ready for the set up?”
 “We are going to grow hopelessly bored with each other. And we are going to have to continue on.”
 “How can we lessen our boredom?”
 “We can speculate about what is to come. We can tell stories. But there is a danger that we will get lost in our imagination. That is how the Interdimensionals will defeat us. They will get in our heads and fuck us up with our own ideas.”
 “Steven, that is hard to believe.”
 “Know that is what we are dealing with.”
 “What makes us different? What makes us unique? We have a heightened sense of what is right.”

“And we do what we do to get what we want.”

“We are already talking like Interdimensionals. This is so fucked up. Will we ever be able to create a proper morality?”

“After a while, you realize that the moral ones are wicked. We have a lot to figure out.”

“You should collect your adventures in a book.”

“For the time being, we have to keep on with our adventures. I fear that we will destroy ourselves if we take too much time to review our actions.”

“What are you saying?”

“I do not want a book to embarrass me about my actions. I need to trust myself.”

“There is a book at the core.”

“I hear that Nera has a book. We have to find that text.”

“That is the challenge.”

“So we are adventuring with the idea of finding her book. And what will we do it?”

“We will have to question everything that she says.”

“How could she ever do a book?”

“She has writers. But I also hear that she does not sleep.”

“Why didn’t someone tell me about this from the beginning?”

“What does that mean?”

“I think that we have become caught up in frivolous pursuits. Nera could explain why we are the way that we are.”

“That was too close.”

“That could be my head.”

“That is all part of the constant struggle.”

“We are facing many threats. For the time being, we two are alone. But the Interdimensionals will find us and make our lives hell.”

“We have to make sure that does not happen.”

“No one else is willing to make these risks. We will seek allies. But they do not want to abandon the complacency of their lives. There are the spoils of war. And they have destroyed the people.”

“The Interdimensionals get into their heads. They fuck with them. They make them want things that are detrimental to their well being.”

“If you think that there are cracks in the surface, you are in for an awakening.”

“What am I supposed to want?”

“Nera’s book will reveal things to us.”

“Are we good people? Can we trust ourselves?”

“We all have ethical lapses.”

“How could one person anticipate what we know and what we need?”

“That certainly is a question.”

“What is the real currency?”

“What can we know beyond love and death?”

It was my great fear that no one could understand the nature of our mission. Farley was a great partner in crime. But I had questions. Would he be too weak? Would the Interdimensionals be able to break him down. I knew that he was a man of integrity. How

deep did his understanding reach. That could be a weakness. And that was a critical fear.

I hoped that his pride would not interfere with our work. I realized that his emotions could cause him to get carried away.

The Nera book seemed like a convincing basis for our mission. But I questioned its existence. I did not want to pursue my doubts Farley. Even if we had questions about the book, we understood what would be in the text if it existed. It represented my obsessions.

"What if you were the writer?"

I felt like quizzing Farley about our adventures. He had been through enough on his own. It seemed as if he solved the mystery of Molexa and the super-love-making machine. He did not get caught up in the perversions of Willna and Fiona. That also made me question his motives. Had he encouraged this decadence? I had my own philosophy about existence and the body. I wondered what was motivating him.

"There is this place where you can go where the pleasure never stops."

"Farley, are we too immersed in pleasures of the flesh? Why are we the way that we are?"

"I was never about that."

"You are too nice."

"We are never about tenderness."

"These people have one cycle, and that is how they can sustain their pleasures."

"Are you a mystic?"

I needed to know. Was I becoming too much like Farley? That could make him a liability. I did not need him along to interfere with my mission. I needed to be clear with him.

I needed to review my own purpose. There was a great deal that I did not understand. I could not let my uncertainty lead me astray.

"Tina, I just want to talk. I need to rescue you."

I had gone through this same adventure once before. And I had gotten it all wrong. I could not afford to get distracted from the mission. The Interdimensionals were more advanced in their methods. I could easily lose my place. I did not want it to happen this time.

"Has your disgust with Kiara clouded your ability to tell this story with a sense of impartiality?"

"What are you asking me? She fucked up. Her ideology provided a foundation for the Interdimensionals."

"KIARA, YOU FUCKED UP!"

"You are taking this to heart."

"What do you want me to say? She turned poetry into war."

"We all turn poetry into war. That is how we survive."

"That is making an excuse for her. She had the opportunity to beat the swords into ploughshares."

"She is protecting the security of the family."

"The family cannot be protected."

"You fed me something that made me feel bad."

"Oh, universe, what did I do wrong?"

"Steven, you need to quit blaming me and my family for doing something wrong to you."

"You are leading the Interdimensionals. You ran my identification. You are persecuting me and my people."

"You are such an exaggeration."

"What are we going to do?"

"What are we going to do?"

"The United States of Diz needs some kind of reinforcements."

"Nothing will save us."

"Saving has to come from within."

"Kiara, you never took anything from within."

"For once, we are getting somewhere."

"Where did we start out?"

"We started out in the hell."

"We have been seeking the means for triumph."

"What is hell for you?"

"The taste of the other."

"The Jello-O mold."

"We are no closer to getting out of here."

"Grab the trap door."

"Why do you think that interrogating Kiara is going to lead anywhere?"

"What do you want to know that you don't already know?"

"Why did you never take the cue?"

"What is the cue?"

"We are never going to finish this?"

"Where did that come from?"

"Kiara, why don't you say what you mean?"

"I only want to say hello."

"You are good."

"I want to make friends."

"Did you work on this?"

"I have heard all this."

"Do you want to see my book?"

"What is in the book?"

"What isn't in it."

"Your smiles reveal too much of your shit."

"I only want to forget."

"This book tells you how to forget."

"This is part of our culture."

"The United States of I Forgot against the United States of I Have Been Here All Along."

"I am guilty!"

"Guilt hurts."

"There will be no surprises."

"How did I lose the trail?"

"What did you forget that you were supposed to remember?"

"Is there a test?"

"I am ready for a test."

"What do you want to know?"

"This is not well done."

"This is burnt to a crisp."

"How can we influence you to think in a different way?"

"I can change everything that you think."

"There is no fairness here."

"We were working on this together."

"You are my togetherness."

"Touch me everywhere."

"That is a Nera line."

"Nera is an empire. Kiara is a fallen blood line."

"You know what this is. A Hereditary Monarchy."

"I get what I want."

"But you never want what you cannot have. You never gasp. You never have to push. You feel lost in your castle. No one will be coming down to see what is going on."

"NO AUDIENCE!"

"We are going to finish this."

"How do you propose to do that?"

"I have been touched."

"I need to see this."

"There is not playing along."

"Kiara has co-conspirators."

"You never took a stand. The bloodline is infected."

"What does that mean?"

"The curse. You are all bleeding out."

"How can you say that?"

"The bloodline is bleeding out!"

"Where is my getting off point."

"I am already off!"

"Are you trying to scandalize me?"

"No one really minds."

"What are you protecting? Your right to get fucked up. Your right to go dizzy."

"I am not dressed for this."

"This is the naked law. Do you know what that means?"

"What more do you need in the tank?"

"I need some liquid."

"I can't do anything until I get some help getting."

"You get one wish."

"Even with three wishes, are you going to be able to get what you want?"

"I want what everyone else wants."

"What do you want?"

"Chicken."

"What is that stuff?"
"Turn down the next corner."
"You showed him what to do for his kids."
"Why are you now inside when you were outside?"
"Kiara, how does this work?"
"We need to get out of here."
"What are you telling me, Farley?"
"Who is watching baby?"
"She does not have a book."
"Who does? It's like a prison book. You check out the days in."
"I am inside."
"You give them what they want."
"It makes them all buy."
"How does that work?"
"It says buy here."
"Cut here please."
"Bang it, child!"
"But it did stop."
"I want you to give me all of you."
"Don't jump ahead."
"What does Kiara want? Why does she make it all feel good?"
"Do you want to talk?"
"What are you chasing?"
"We are all waiting in line."
"Take a rag."
"What good is that?"
"Time to clean up."
"This becomes a symbol of who we are."
"I need to distinguish some things."
"What do you want to know that you never knew?"
"There is another explanation."
"I had a song."
"What do you want to hear?"
"We get way out here, and there is not much to say."
"How are you holding it down?"
"I cannot keep it down."
"This is so out of control."
"Take care of this."
"I need a place to stay."
"How much a night?"
"Knock, knock."
"We need a place to stay."
"I thought that you were all on the same side."
"These are people who are willing to hurt others. This is the hurting side."

"I got waterboarded."
"What does that mean? Love don't give if it don't get it back. What were you prepared for? Were they going to kill you?"
"US of Fuck Me!"
"Shut the fuck up."
"You have no idea what we are going through?"
"Come to my neighborhood."
"Are you going to invade?"
"They are all coming over."
"We have morality."
"What does that mean?"
"We will hunt them all down, and kill them."
"We are in a danger zone. If they move, off 'em!"
"This is so wrong."
"We are beyond goof and awful."
"Shit dog."
"Kiara, this is all your doing."
"None of this is here."
"You are going to have to explode on site."
"I am not part of the suicide society."
"I have felt so much like shit that I do not mind if you feel like a piece of shit."
"How did it happen to you?"
"I took the golden cure."
"How does that work?"
"I keep talking. All that I do is fill the world with shit."
"This is all about me."
"You were not going to win!"
"I always win."
"We need to analyze this. Did Kiara win?"
"She cannot win now. But she can win."
"Kiara can win."
"This is better than I could have imagined."
"I need to get my dick cleaned."
"This is not a fucking war. At least as far as I can tell."
"Have a cucumber sandwich."
"You want it your way."
"Give me a line."
"I need to strip myself down."
"Tell me what you want to see."
"What are you still smelling?"
"Take him. Get him out of here. I never wanted you."
"This is becoming so cruel."
"Now, I see what you are all about."

"I only want to watch the TV."
"I am on it."
"Kiara is not going to help. We are on the way to Nera."
"What is in an empress?"
"Why does Kiara not impress?"
"Tie me down, and tell me what to say."
"I say what needs to be said."
"You can have whatever you want!"
"I want something that cannot be given."
"How did this happen?"
"Why am I getting flow from underneath the car?"
"Cars were not invented."
"We no longer use them."
"Keep moving forward."
"This is a blast."
"Too much fun will destroy you."
"Do not look her in the eyes. She will damage you."
"I think that we opened the wrong door."
"I am not opening doors."
"You can smell it."
"I am going to fall asleep in her bed."
"This place is booby-trapped. Let's get out of here."
"We come to educate. We do not come to kill."
"This is blood."
"Who is this?"
"These are Kiara's bodyguards."
"Nera has bodies."
"Is this a competition?"
"I want what I cannot have."
"Steven, you are so evil."
"Other people are making be this way."
"I have everything that I want in my dreams."
"That is not going to work."
"The discrepancy is going to drive you crazy."
"This feels so good for me."
"You cannot say that?"
"I am still thinking about your body."
"In a Universal Empire, they all think about me."
"Nera, that is so tired."
"Look at the book. They all want me. They all want to be me."
"The Jello-O is melting."
"I can be so good for you."
"She will be a wife."

"I have satisfied some people."

"I want to satisfy the world."

"Nera's goal!"

"We have no goals. We are all fucked."

"I do not need this sympathy."

"This is not my fun."

"This is not my fault."

"Speak clearly."

"There is no clearly."

"I have had enough of this shit."

"Do it for the movement."

"Go back to the basement."

"Go to bed!"

"I cannot sleep."

"Take this, wear this, be this."

"I am coming back to home base."

"Run, Steven. Run, Farley."

"None of us can be helped."

"For early I need to cloak all her ideas in darkness when they go in late we are available Interdimensionals we have to find ways to protect ourselves and to protect our beliefs that is the only way that we can counteract or in a mess. I wish that we could somehow work with these people. They will do whatever they can to be victorious. And we are helpless before them they will do with the kids but they are not invincible perhaps Kiara could show us the way. If we find her book we can rewrite we can do something with the powers of universe Steven, are you proposing that we throw a wad in the road that may be our only choice she has an array of forces behind her and we have to take on the Interdimensionals I hate the fact that we're getting lost in this what kind of experience do you have? The intermit Interdimensionals are conspiring to destroy us so we need to understand what is happening why do you say that Steven I think we're both tired of this silly fantasy but there's a deeper understanding here and we have to figure out how it is working Interdimensionals have their hours we emerge from white but we have to return the darkness from light but we have to return the darkness that it's only hope we have to work with forces on scene by the Interdimensionals."

"Then it's someone I start to like that I get afraid because then they're going to depend on me and I'm gonna depend on them and they're not gonna be there when I need them so what am I supposed to do where are you been no one speaks your language you have to translate so I can speak a different language what is it."

"MI was staring at you and you were even looking at me I don't even know was going on what was happening"

"A great strong as far as the eye could see they were all there as far as the eye can see and then the disappointment in the blood sacrifice and the pleasure pits the wrenching in the burning in the excitement."

"And there she was near her in her temple Nera in her temple and she screamed you cannot stop me I will live 1000 years I will enjoy pleasure until the ends of time Lexi said I saw a

cute boy there is nothing take them and throw them in the fire then she...”

“And she rolled them all over and took what she wanted from like a beekeeper harvester honey then she tossed them all into the pit.”

“And when lustful orgy demanded another, and she needed a time enough for all her pleasures. In area are used to her science to try to explain what was happening Ariel you And they gave Deemie the gaze at Nera and then we all went crazy they shipped from the desire and she made them quick and she made the whole road explode with the sweet lover which she consumed she made the whole world explode with the sweet lover lava.”

“When I gaze on the golden calf I get all hard, and that.”

“What do you remember? I remember it all I can feel it in my body the trimmers and the explosion tremors.”

Nera looked to her commander, “Are we ready to attack?”

“And the throng and claim the planes but all around or the Enemy Interdimensionals.”

Have we arrived at the right time Steven are we supposed to go off on the road again and wander for four years what are we looking at a great battle the ambitions of the ambitious.”

“Will covet more. With this advantage then...”

“We will take what we need, and we will need what we take. Stare at her. What do you feel?”

We Interdimensional have only one desire. That is to enslave you, to find someway to suck the power from you so what are you going to do?”

Tell Nera I will you impose your glory on this wonderful people. Interdimensionals have tricks that none of us know how to fight against.”

“We are greater than great can no greater than great to know no one can stand in our way and this greatness can last forever...”

“Will either quite consume us, and reduce to nothing. We take from the eternal and we give to almost a long time.”

“All memories.”

“If we are gods, we will always be gods. And no one can remove us from gods.”

Card game they lock you in a room they took your best night in the lock to you in a room you’re still locked in there no one got you out you know that so fuck tiara Kiara you were not going to win I will make sure.”

“The fuck zooid stage.”

"Sometimes I want to block the fucking son out of the sky because it reminds me of Kiara!"

"Help me out!"

"There is not outside."

"We are fighting the ID!"

"Someone is going to need to save me."

"This is some real shit going on in here."

"What are you talking about?"

"I don't belong here. As long as I am here, I cannot be myself. That is why I am so sick."

"I am the only one here."

"Why do I hear voices?"

"Remember this

"If you needed to call on this memory..."

"I don't belong here. As long as I am here, I cannot be myself. That is why I am so sick."

"I am the only one here. Why do I hear voices? Remember this! If I needed to call on this memory, it would be ..."

THERE!"

"Do you want to do commentary? You really fucked up, Kiara. You had the chance to chance to have it all."

"Steven, I do have it all. What do you have? What do you have? You have gotten nothing. I've got a family. "

"So do millions of other people. What else do you have? A mouse, a dream. Where are you working We never going to work. What do you bring to the table? Who's eating off the table? He's going to take your damn food. It's nothing you can do to stop. We're just going to stop you. Stop it"

"This guy stopped by for a drink."

"It's my fucking boss."

"The guy was holding him hostage."

"Couldn't say something?"

"I felt persecuted."

"This don't happen to you?"

"I could see the great army stretch out over the plane. Men and women as far as the eye could see. And they were all fighting for Nera. They realized that the Interdimensionals would enslave them. This battle was for their freedom. As for the revival he heard. If they even questioned Neera, they realized the tyranny of the Internationals. Among each other, theater dimensional seem to tolerate different points of view. But this was all a sham. As long as people support the Interdimensional, this is all OK, in fact, this is ridiculous."

“Go fuck yourself in the army rode in with.”

“Slam bang love.”

“I am Persephone.”

“Don’t let this take too long.”

“Who are you against?”

“The Interdimensionals. Everyone hates their way of life!”

“For that one second, it’s you against me, and only one of us is going to walk away. And the rage comes over me and I knock you down,. I have no choice. Please don’t hurt me! Please don’t hurt me. Please don’t hurt me. And I think about it, and how am I invested in this moment and what I’m I supposed to do about it. And if I walk away you’re gonna take a vantage of my weakness and you will try to destroy me.”

“Why do you even bother about such things, Steven?”

“What should I do, Persephone?”

“You have A, and you have B. And I am sure that I know what this means.”

“How long has this been going on for?”

“I can help you!”

“There are some things that are not allowed here.”

“How can she allow for constant pleasure. Someone must be doing her dirty work. And if they resist their servitude, what are the penalties?”

“You are appointed to make the necessary choices for our lives.”

“What is this about?”

“What kind of life is this?”

“I am not looking for teaching.”

“Don’t lie to me!”

“I am giving you what you need.”

“None of this works.”

“How much water can you move?”

“Where is this going?”

“Where would you like it to go?”

“Why did he go?”

“He had a bad night.”

“He had a bad day!”

“Someone took something from him that he did not want to let go!”

“Persephone, I want you to save me.”

“I want to float in the pool.”

“I do not have a pool.”

“How can you help us to defeat Nera?”

“I thought that you were fighting the Interdimensionals.”

“Nera presents her own problems.”

“She wants a burger.”

“Persephone, do you have excellent dietary habits.”

“I am making the room better for the world!”

“What does that mean?”

"I am working this room so that I can prepare to change the world."
 "Am I still alive?"
 "This is so wrong."
 "Raise me from the dead."
 "Join in on me."
 "Where are we headed."
 "The only place to go."
 "Persephone, you are a princess."
 "You are a scary person. You are taking away the only thing that lets me be me."
 "You are afraid to be alone."
 "There is so much that I am expected to be."
 "It goes down, and it comes back again."
 "This is going to progress in such a positive way."
 "Please stop me."
 "Doesn't it frighten you that you have the wrong guy."
 "I always seem to get the wrong guy. I have to make him right. Steal his shit and call him out for fucking with my life."
 "I need this moment fo total perfection."
 "Do you need Persephone?"
 "Someone is going to take from you. Someone is going to take you away."
 "How does it work?"
 "I have things, and they become so much more thanthey are."
 "You have arrived."
 "Come on in!"
 "I am not old enough to control my own life."
 "I am not old enough to control my own life."
 "These are all words."
 "What do you want to know."
 "Can I stare?"
 "I want to make money."
 "We are fighting for different things."
 "There is money to make. We have to sell air and water back to the world."
 "Sell the sun."
 "Sell safety."
 "What do you want to know?"
 "I have already interfered in the evolutionary."
 "I hate that kind of balance."
 "What do you want to know?"
 "Will I be loved, will I be rich? Will I have lovely children?"
 "You are what you now. Everything else is secondary. Are you out for your own shit, or are you out to make the world a better place?"
 "How can you make the world any better than it is?"
 "You didn't even ask me what I wanted."

"Persephone, you are a child. I am trying to pretend that you are emerging as an adult. I am willing to recognize your political and economic rights. But you need to be protected against people like me."

"Can anyone understand?"

"I understand how people are."

"It is all about the attitude."

"Persephone, you are going to be the death of me."

"If we had other bodies so much would be different. We could articulate our minds."

"Our minds result from an effort to restrict the influences of the body. The body is all one. We are searching for our place in the universe."

"We have no place. We have been moored here, but we do not belong here. Our body parts cannot achieve any sense of order in this place. We always have so much and not enough understanding."

"How were you able to help yourself?"

"I am running the show. I am the show. I have made it all for myself."

"Persephone, teach me what I do not know."

"We have desires that exceed our realities."

"I am influencing you."

"I really do not want to be here without my friends. So I just left. Why are you such a monster?"

"What are you talking about?"

"You do have what you are looking for."

"I am not a good student."

"This is the only thing that will ever matter for me."

"Take this test to determine your humanity."

"Let us assume that I came here from another planet. What would I understand about social interaction?"

"You seem ready for the part."

"Who objects?"

"Did you leave something behind."

"I left my sense of humor."

"This is a good beginning."

"There are so many confusing things."

"Take what you need!"

"I want to take myself out of this equation."

"Persephone, you were so good to play this game!"

"You do not have to leave."

"This is shared."

"I am taking my toys home."

"I want on thing that will provide me integrity for my future."

"I like everything that I have been offered."

"Why did I get left in the wilderness."

"What if Persephone was one of Nera's commanders?"

"That might change the balance of humanity!"

"Persephone would have to accommodate to necessary changes in order for her to assert herself as one of Nera's own. There would be too much of a burden."

"How does this all work?"

"Persephone realizes that she is giving to much of her personal integrity."

"You have to recognize that I am all personal integrity. I have something that no one can take from me. That is why I do not want to participate in your story. I do not mind watching with you. We can all hold hands. We can pretend. But there is nothing between us. Here is no blood that keeps us connected. We are all separate."

"I am not going arrive on my own."

"I do not think that there is a Persephone. She is a ruse to draw the charge away from Nera."

"Persephone, you have revealed too much about yourself."

"I do not want what others want."

"Close your eyes, and pretend!"

"I am ready to open my eyes and see everything that necessary to make the universe go around."

"You have given too much of yourself."

"She is lucky because she does not have to give that much of herself."

"There is a place where she is still protected."

"That is based on self-destruction. I am not feeling any sense of self-destruction."

"Are you already part of this script?"

"I have to get ready for team. I have to get ready for drama. I have chemistry."

"Why do they divided the human? When will she ever find herself after such division?"

"I cannot do this anymore."

"This is too young to start."

"Nera, when did you start."

"I do not want to live the life of Nera. I do not want to submit to humiliation."

"I have already seen a version of this. Do not understand!"

"I understand it all."

"Lift me up from my misery."

"I have given too much of myself, and I have not received much in return."

"Do you want to be like this?"

"I think that it comes with the territory."

"That was a wonderful performance."

"I need to make my move."

"It is all going to blow up in your face."

"I need to do it now."

"I need more days."

"Nera, why are you the way that you are?"

"No one ever wants to explain how she really is. It is more about what we do. What we do now? What we keep doing."

"This is not even about you."

"This is about the movement."

“Can you protect us against the Interdimensionals?”
 “You have fallen too far to merit rescue.”
 “I never got close enough to feel the heat.”
 “Steven, you are going to need something more to survive.”
 “What does that mean?”
 “Do you care about any of this?”
 “Do you want me to feel sorry for you?”
 “There could have been a malfunction.”
 “Nera, what do you like?”
 “Nera likes to fuck for whatever that means. This is the means to control.”
 “I can control all of this.”
 “I do not think that this is about you.”
 “Where is Persephone?”
 “She is sleeping for school. She does not want to end up like Nera.”
 “What does that mean?”
 “She is going to be forced to do things that make things the way that they are.”
 “How do I get what I need.”
 “What are the rights of passage?”
 “I had no chance.”
 “Do you want more of a chance? Do you want to want something that you cannot have?”
 “Nera can get whatever she wants and more so.”
 “How is any of this going to make any kind of difference?”
 “Did you try to give me some kind of shit one day?”
 “I have already been hit.”
 “You are healing your wounds.”
 “No one is even watching you now.”
 “How do you do it?”
 “You will not venture here by yourself.”
 “Who is helping Nera?”
 “You have destroyed my balance.”
 “We will finish this.”
 “Do you want me to help you to regress?”
 “What did you know before you knew what you knew?”
 “I am so broken.”
 “And now you are running this show.”
 “The master has left.”
 “Are you the member of some kind of cult?”
 “I am done with this place.”
 “I found something that had disturbed me. And that disruption continued for a while.”
 “This is a new day.”
 “How is that going to work?”

"I am going to explode."

"None of this is free."

"I am like none of you. None of this affects me."

"You have to make a move."

"The Interdimensionals have us surrounded on both flanks. And Nera is in front of us. We are going to push ahead. And no one will touch us. The Interdimensionals are afraid of Nera."

"Steven, what are you doing here? What can you give me that no one else can?"

"Give me your book. Let me edit it."

"Do you want to turn me into a saint?"

"There are different kind of a interactions."

"Where is this going?"

"Are you mocking me?"

"I have been trying to regress you."

"I feel like a cornered rat. I want to lash out. Why am I like this? I was not born a rat."

"You need to regress further."

"Where is this going?"

"I have always lost so many forever."

"I want to lash out."

"How did I get like this?"

"Look inside!"

"There is no inside, only a desire to feel things. That is my life. How do I prolong these feelings? I cannot give myself to any one experience. There are so many connections of connections. I can feel it. I can be it. But it is not me."

"How do you want it to be?"

"I want the flesh to be liquid. I want to float down the river."

"This is river of penitence. There is punishment and forgiveness."

"I only want a more extreme pleasure. This is all pleasure."

"What happened to Kiara and her pursuit of pleasure?"

"She could never push pleasure the next level. There was always so much pain to go along with the pleasure."

"Can you make me go forever?"

"There is an extreme misery."

"Misery of what?"

"Total humiliation."

"I have felt so much humiliation."

"How can you make this keep on?"

"It keeps on by itself."

"When will they all go?"

"It does not work that way."

"We have been waiting to join in."

"Who wants to go next?"

"This so terrible."

“Put me in a box and get me out of here.”
 “*She has disappeared.*”
 “*This is so wrong.*”
 “*How did she arrive?*”
 “*You are giving me more of your shit.*”
 “*It does not last.*”
 “I got beyond the humiliation. I turned it into endless pleasure. I reached a level
 where I could be praised constantly.”
 “I am sick.”
 “I can push way back on this.”
 “I will push back.”
 “I have seen this before.”
 “I left my money somewhere.”
 “Take the spoils.”
 “The Interdimensional are ready to make their move.”
 “We have to challenge their surge. We can confront their theology.”
 “Some people have only one belief.”
 “And they hate themselves in the morning.”
 “*I am worshiped in the morning.*”
 “*What does that mean?*”
 “*I am part of this show.*”
 “*I gave her to her.*”
 “*You do not really understand.*”
 “*How is this all connected.*”
 “*By the flesh!*”
 “*There can be no other book.*”
 “*I am a visitor to this place.*”
 “*Visitor to the planet.*”
 “*Where is Nera?*”
 “*She escaped with her forces.*”
 “*How is this working?*”
 “*The Interdimensionals are taking this an invitation.*”
 “*They are not theologically correct. They are not about freedom. They love dominion.*
They have no foundation for their beliefs except hostility.”
 “*What does this go back to?*”
 “*This is so far beyond all of us.*”
 “*You are welcome to become one of us.*”
 “*Who turned up the heat?*”
 “*We are all here.*”
 “*It was so mellow.*”
 “*They have all left.*”
 “*Farley, I am hurt. I am wounded. What happened to me?*”
 “*I fell in with the wrong people.*”
 “*We have been really fucked.*”

"I think that Nera betrayed us."

"She could not remain. We scraped away. But Nera would have been tortured and killed."

"There is another side."

"What is that?"

"The Interdimensionals brought their best. They realize that they are ideologically inferior."

"Get the barbecues fired up."

"Are you okay, Steven?"

"I am so fucked. I could not be worse."

"Do something, Steven!"

"I am doing the best that I can."

"That is not going to be sufficient."

"I am falling apart."

"Take this!"

"Our weaknesses make us stronger."

"We accept different things."

"There was one moment that was amazing."

"Everything else is shit!"

"We need to recover."

"We need to find Nera."

"Kiara fucked us up. She threw us in the past."

"This is way beyond all of us."

"I can hang on."

"We have to battle for our integrity."

"You are working with someone."

"You were so brilliant."

"That is not going to cut it."

"I do not like how this turned out."

"I am not a turnip."

"I am a furnace."

"Some are being punished."

"Save me, Lord."

"Nera would have only corrupted us."

"You will not be saved!"

"This is ridiculous. We are not damned!"

"Steven, I would like to invite you over to my place."

"This is not your place. This is some kind of rehab facility. What is the trick?"

"What do you need?"

"I am not looking for help. I am not looking for your help."

"Steven, you have made extraordinary promises to other people. And they have come to rely on you. You have built on your reputation. And you have deluded the world."

"That is quite a hefty charge. And what did I do to you."

"You portrayed yourself in a false way. And this caused you to depend on me."

“For what it is, I want to know your uncertainty.”

“I do not want to participate.”

“This is his own free will.”

“He wants to feel that he is part of the family.”

“What kind of family is this? What are your goals?”

“We have only one goal. The dominance over our impulses.”

“Is that an impulse?”

“What do the Interdimensionals offer their followers?”

Rex wanted to make clear their promise. This was a great vision which could bring together heaven and earth. Indeed, the Interdimensionals believed that they did not need to submit to any law. And they found their power in this ability to offer an eternal hope to their supporters. It was no longer the here and now. They looked to a noble future. This helped uplift all of them.

“What do I want to eat? What would represent perfection of form? What would satisfy me until the ends of time?”

“If you do not do it right, you are going to destroy it for all of us.”

“I am very good at this.”

“You want to be accepted by rest of us.”

“I am so tired.”

“How tired are you?”

“Did you come here for love? Or have you been distracted?”

“I need to get further out.”

“I don’t think that there could be an out more out than this.”

“Everyone is descending on this one place.”

“What do you want my dear?”

“I want my story to be the story of the world.”

“The whole world is burning, and there will be nothing left.”

“Go the waters. You can live off the waters. You can save yourself on the waters”

“Whatever does that mean.”

“We do not want to waste our time.”

“How long do I have to stay in this place?”

“We want to help you. We are doing things to help you.”

“Where were you hiding?”

“I was hiding in the hiding place.”

“What kind of world is divided between chaos and order?”

“Baby, do you think that we have a chance.”

“Steven, you are an embarrassment. I am the admitting nurse.”

“I never wanted to be admitted anywhere.”

“What are you willing to admit to?”

“I did some bad things.”

“You are going to have to enumerate all the evil deeds.”

“I wanted, but I did not touch.”

“Touch is the beginning of total dissipation.”

"This guy cannot be trusted."
"He jacks everyone up."
"He uses heavy air."
"Where is this going?"
"What do I get to keep?"
"The corners."
"I want someone to love me because I am fallen."
"Don't worry that rewards awaits you."
"My heart is in this."
"Thanks for letting me say my peace."
"Good going!"
"You have to know evil before you can know good."
"I feel as if I will never be right."
"You have to find it in yourself."
"There is not enough self."
"You can find other rewards."
"That is what I need. Anything not to think about tomorrow."
"I have got this one."
"What does that mean?"
"I am going to be able draw this one down."
"I have bones."
"I have chicken bones."
"I AM HERE TO MAKE YOU FUCK UP!"
"I HAVE SKILLS."
"THIS IS WHAT FALLING MEANS."
"WAY TO GO CHAMP."
"FUCK THIS SHIT!"
"Will I never be able to taste the sweets."
"Are you asking for some chocolate?"
"There is something really freaky here."
"I want to be high, Daddy."
"Margie, do you see what you want here."
"I am Morgan."
"What do you want, Morgan?"
"I need to be free. How do I get free?"
"There are so many sounds. One will lead me to knowledge."
"I do not want to see any more of this."
"Work, beach, work, travel, food."
"What are you going to do?"
"I am going for a walk."
"The time is coming."
"Are you that good?"
"I am always that good."
"Body and mind."

"Who is leading the journey?"

"There is no journey. Only a travel agent."

"I can get to the top on my own."

"Happy Birthday to you!"

"Where did that come from?"

"You hold on to this one, and you let that one go."

"Don't you have anything else to contribute?"

"Is this heart to heart?"

"It always comes down to something like this."

They had pierced the walls of Eden.

"I want it all."

"I can show you something that you have never see before."

"I have been to the temple. I have seen it all."

"That is what happens when you do not obey the law."

"I want to get involved."

"I bounced against the stone and fell to the earth. What kind of force was this?"

"Why do you want to know of pain."

"Were you staring at me?"

"I thought that you were."

"We need to go in the other room."

"I am with someone."

"You gave me the look. You have no choice."

"Are you forcing me?"

"You are going to force yourself."

"Something is really wrong."

"It is as if the aliens have taken over."

"They have only captured some places."

"What is this?"

"I have given and taken all things that I want."

"We live for the same thing."

"This is not going to work. You always make the same mistake."

"Who is not mistaken?"

"I know where this comes from."

"We all believe."

"Kiss me."

"Kiss me!"

"This is not suppose to be. Is this all that you can do?"

"I can make it balance."

"I am seeing it from the same vantage point."

"Why do you keep doing this?"

"You act as if you can make it change. Does it even make a difference?"

"These people are too jolly."

"What are you working for?"

"My desires and my anger."

"How does that work?"

"Give me something."

"Call me by my name."

"Claudia. Grace. Shelly."

"Who do you want me to be?"

"It is never like in the brochure."

"I can make it look great."

"You can learn from others."

"You have to be good."

"Can you make me happy?"

"Do you have a happiness equation?"

"How does that work?"

"How do you work?"

"I give you what you want. Then you ask for so much more. And that is never enough."

"That is an imbalance."

"Wait for your return."

"Everything was perfect, until I saw you. And you just stared. What did you want from me."

"What did you want from me. You were the first. You were the best. You were all of heaven and earth."

"Where is this going?"

"Where it always goes. We eat, or we fuck."

"Why are you ruining it, Steven."

"You stared. You made me excited. Others would be different. That is all that I care about."

"That kind of brutality needs an anesthetic. That is all that I care about."

"This is going to go on forever."

"Is there no other form of entertainment."

"I have arrived."

"You are looking for this book."

"What is in this book."

"You are looking for this book."

"I can give you a fair warning. Avoid this dark one. He will bring you down."

"Are you telling me about Steven?"

"He makes promises that he cannot abide with."

"Who is going to give me what I need?"

"I thought that you had someone."

"Steven embarrassed him from my story. I am here too late to do any good."

"I will be good until the end."

"Do not let them get in my way."

"Tell the time."

"We do not know time. We have fun."

"This is taking an incredible long time, and there is no reward."

“What is your reward for this life.”

“What is the reward?”

“Stella, you have been spending time with Farley. What do you expect that he has for you?”

“What do I need for myself?”

“He is back.”

“Where is the chippy.”

“There is always another.”

“People trust this shit.”

“Does anyone care about this?”

“He died!”

“Is there time and space for this.”

“I came back from the ashes.”

“They kept talking about burning.

“This is going to be a challenge.”

“I need to get a second chance.”

“Where did Claudia go?”

“She went to the cheese aisle.”

“I cannot get any validation.”

“How long is this going on?”

“We are all looking for the right word.”

“You are not going to be able to manage through this.”

“I want this to mean something.”

“This has to be fair.”

“This is really creepy.”

“Do you have the word to muddle through this?”

“I was sure that there was a story. Claudia said her peace. Margie said what she need to say.”

“Where will I find what I need to find?”

“There is a corner of the garden.”

“I do not see a garden.”

“It is a state of the mind.”

“This is a way of knowing.”

“Don’t interrupt me.”

“What is your talent?”

“Is this going to go back to Stella?”

“Why is this Stella’s issue?”

“Stella has another story to tell.”

“Why is she looking for mischief?”

“This is Farley’s problem.”

“Farley, dear Farley, whatever do you know?”

“I know thing that I can’t talk about.”

“We will never make it to Nera if you keep secrets.”

"Are you afraid of secrets?"

"Stella wants something that is going to last."

"Stella wants something that does not last."

"That lasting that never lasts."

"Farley, does it matter. Does she matter? What do you know? Can you twist a top that never stops."

"How did you keep score?"

"Make a heart shape with your hands."

"What leaves ends up coming back to the beginning."

"What if there is no knowing?"

"This could be the best thing that ever happened to you."

"Did she make plans? Did she talk about the past? What is the trick with Stella? How does the machine work?"

"You have special techniques."

"You can materialize."

"Steven, I am feeling like shit."

"What are you trying to tell me? What got you feeling like shit?"

"You are scaring people away."

"I am not like a lot of people. I am not afraid of myself."

"Does that mean anything? We don't know ourselves long enough to make a difference."

"What do you need to know?"

"Stella is very afraid."

"What does that mean?"

"We are walking in a dark place. How does that make you feel?"

"I can see in the dark. I can get what I want. Sometimes, you have to take advantage of moments like this."

"I cannot give you what you cannot give yourself."

"Farley, let us get out of this place."

"What do you want me to tell you about Stella?"

"I am going to tell you some things. I do not want you repeating them."

"What?"

"Steven, you are going to make up things if I do not say things."

"What do you want me to say?"

"I do not want you to make up things."

"I want someone to make a mistake."

"I am here to make a mistake."

"I am here to make a mistake."

"Stella, what are you here for?"

"I am here to make a mistake."

"It is time for you to make a mistake for me."

"What are you about?"

"I do not remember anything about this."

"Zaza will help you forget. That is all that she does. Do you want to forget like that?"

"I create equations to remember. Why am I trying to make myself forget?"

"Do you want to know why you do the things that you do? You already do. You are not coming to me for absolution."

"How does forgetfulness manifest itself?"

"You can only remember once it is too late for it to matter."

"I can write memoirs."

"You are allergic to your own writing."

"What is that supposed to mean?"

"There are times when you do not want the lights on."

"We are all like that."

"Stella, you do not want to know."

"And you do not want to feel."

"What does that mean?"

"Steven, this story is already beyond you."

"Farley, why are we wasting our time with us?"

"You acted as if I had unique knowledge. And I feel as if you are jealous of me."

"What for?"

"Molexa? Stella?"

"Stella?"

"Indeed. Does that bother you? If you knew what I know, you would be a better writer. But you know none of this."

"I do not believe. She is doing all this to forget."

"Wouldn't you like to know?"

"Did she tell you about the shitty time?"

"She told me?"

"What do you want me to tell you?"

"What did you tell him?"

"I told him nothing. I obeyed his rules. I told him what he wanted to know."

"That doesn't make him a very good spy."

"I am the spy here."

"What are you hiding? Why can't you settle down?"

"Do you want to help me, or do you want to mess me up with the knowledge that you have?"

"You are the one who does not want to share."

"What do you know about me?"

"You are not the first person who likes to hide in the dark."

"Steven, you have no idea."

"What does that mean?"

"I violate your theory. I am totally without guilt."

"Why should I care?"

"Because you think that you can control me with your psychological theory. We do not all work like that. We don't mess up because we messed up. We have fun because we want to have more fun. We liberate our fun. We find other people who share our emotions."

"What is your talent?"

"What do you want to reveal?"

"Have you been intimate with a criminal type?"

"Intimate?"

"Has someone destroyed your countenance?"

"Why do you describe it that way?"

"Sometimes, you have to wait to find out."

"I will take what I need."

"This could have been everything."

"We do not need words. Especially not now. We do not want to be reminded of our regrets."

"Why are you drinking their drinks?"

"Everyone has a past."

"We do not."

"Steven, can Nera help us to escape?"

"I can give you all what you need."

"You didn't an effort."

"These are all corpses."

"We can help them rise from the dead."

"Stella, do you know who I am. You once knew me. I was part of you. I was everything for you. I was you. And you were me. I am your fear. I am everything that you want to be. I can use this to destroy you. I can bring you back with all of this."

"Why do I not need you?"

"You cannot shake me."

"I understood what this was."

"Why did this not bring you back to perfection?"

"I do not want to be in this place."

"Stella, you are here."

"I spent time with Farley. That does not give you some kind of advantage."

"I only need to see a little bit."

"You use people."

"You want to be used."

"What does that mean?"

"I don't know what that means. It is not a cue for me. I am supposed to use that to escape your influence."

"To escape your influence."

"I am so deep in this. I do not know who I can share it with."

"Do I know you?"

"I want to know!"

"I want to know!"

"This is so good!"

"Explosive!"

"You have so much to give."

"Margie, I do not like my press."

"What is that about?"

"I want to be myself. What do you want me to be?"
"I can't stop this!"
"No one can. No one wants to!"
"This is all bad press."
"Someone needs to help. Someone needs to come through."
"I cannot help myself. No one can!"
"I was in a wonderful place."
"Cut the mystical shit!"
"I do not want to see Nera."
"We must Nera."
"I want to stay in the Pleasure Principle."
"They should call it the Denial Principle."
"Farley, you have satisfied yourself again and again. I am the one who gets denied."
"You get it all in the comeback."
"This is so perverse."
"Tell it like it is."
"We are. There are so many complications."
"Is this vacation or reality?"
"You cannot have any of this!"
"You have it!"
"I am so beyond myself."
"I am crossing over."
"The body cannot give us that satisfaction."
"Stella believes in something that she cannot have."
"Stella has something that she cannot believe."
"Let us pack, and leave this place."
"She is perfect in a red dress."
"I am so beyond this."
"I did this for you."
"We could not exist at two places at once."
"Do you want me?"
"There needs to be a mantra."
 "Steven, you cannot understand. You will not understand. I may love my pain. I
 may love being taken like this."
"There is another stage in our evolution."
"Explain it!"
"I do not understand."
"Is she still alive?"
"I die to get reborn."
"What is any of this about?"
"You are disturbing my way of thinking about this."
"Steven, I want to get out of this place."
"We are going to keep coming back."
"We need to get to Nera."

“What about Stella?”
 “She is lost in the bull shit of her pleasure.”
 “You seem to care.”
 “You are the one who is obsessed.”
 “What is there if it not my pleasure?”
 “That is what I am wondering.”
 “What are we celebrating?”
 “Who is interfering?”
 “There is another spirit.”
 “What does that mean?”
 “I know how strong you are.”
 “That does not make any difference. There is another conflict to come!”
 “What do you all want?”
 “Make a request.”
 “Are you all taking from what you give?”
 “What does that mean?”
 “More than you can know!”
 “This is getting perverse.”
 “*Stella, can you help?*”
 “*I do not have enough to give.*”
 “We are going to triumph.”
 “The Interdimensionals know who we are.”
 “That will not stop us from achieving our glory.”
 “It may not be that easy.”
 “It never is.”
 “You are the only one who can destroy this.”
 “We were much further along in the past.”
“Steven, I am not ready for the past. There is something more important for living.”
“Farley, you are someone’s dead fuck. This is not going to help anyone.”
“This was supposed to be my night.”
“Farley, I am leading this journey.”
“Fuck the journey!”
“I do not want you to melt down!”
“We are all melting down.”
 “We are in for some real shit. We are facing our opposition?”
 “Why are you not back with children?”
 “You are a pervert!”
 “I see what I need to see. I was made this way. Nera has so much to teach us.”
“You cannot know any of this.”
“You need to crawl over the wall.”
“There is really only one thing that you care about.”
“And what is that?”

"Stella, I can smell your perfume."
"What are you giving me?"
"A book of fucking equations."
"I cannot see how one relates to the other."
"You have turned it around."
"I am getting turned around."
"What do you have to say for yourself?"
"I am a marionette. I have nothing to say for myself."
"Your perfume remains."
"This is brilliant."
"This is so far beyond brilliant."
"We are all lost."
"I love losing myself."
"You are a joke."
"Don't mock me."
"He is not coming for you."
"What can that mean?"
"You are not covered. You are going to get sick on this shit."
"I am not going to break down in public."
 Tina led us to her bedroom.
"Why did you bring us here?"
"It has been your story all night. Now, I want it to be my story."
"I want to discover about myself."
"There is nothing to learn. We are who we are."
"Tina, how did you end up in this place?"
"This is my room."
"This is so wrong."
"Steven, are you having flashbacks?"
"This is not my life. This is your life. What is it about?"
"What does that mean?"
"Is it possible to become one with another person?"
"I am looking for perfection."
"That only means accepting your shit."
"There is not escape from here."
"Escape is relative."
"I can help you both to escape."
"But that will only remind you of your shit."
"Steven, I like what I do. I like giving and receiving pleasure."
"We are only rubbing our faces in the mud."
"What do you think that Nera does? She is not afraid of pleasure."
"I want to see your innocence."
"That is this fake protection by the forces of oppression."
"That makes no sense."
"This is not meant to make sense."

“Farley how do you see it.”

“Farley is fucked up. Farley likes to fuck.”

“That seems genius.”

“Steven, I am honest.”

“What about you, Tina. Can you be honest?”

“I am more honest than Molexa or Stella.”

“Stella wants to be honest. She understands honesty. She understands herself.”

“This is not going to be perfect.”

“I need to escape from myself.”

“How can we get away from the self? It is always the self watching.”

“We can discover techniques which help us to forget. We need to get out of ourselves.”

“I am not going to bother with that now!”

“All these lights were going off around me. I was forced to do these things. What makes people like this?”

“They get the plague, and they pass on the plague.”

“They pass on the beach.”

“She will do whatever you want.”

“I feel the blood rushing to my head. What do you want me to do?”

“This is all too human?”

“You are not some Nera. This is not pleasure for you. This is taking something from you. You will not be able to grow.”

“I cannot help how this is going.”

“Someone needs to say that I am a nice guy.”

“When did this happen?”

“That is such a joke.”

“I am not going to sing along.”

“What do you want, Tina?”

“Something for me. Something big. Something tiny.”

“Why did they make the body like this?”

“What are you hiding?”

“An inside inside the inside.”

“This is nasty.”

“I am descending.”

“I have the fucking plague. Everywhere. So many intruders.”

“You can get cured.”

“I am not ready to give up my integrity.”

“What do you have to do this?”

“The money is good.”

“How can money help you to forget the shit. It in there. It hurts from the inside.”

“It is now in my blood.”

“It will make you more powerful.”

“There is not another better level. Take it for what it is. You are in the shit with all those

parts.”

“I have a good trade off.”

“How can it get you to forget?”

“The body has many places here you can hide.”

“You reveal each and everyone.”

“I am getting rich.”

“The numbers are way beyond you.”

“Look at me. I am perfect. What more do you want?”

“I want a soul. I want you to say no.”

“Steven, you only want me to say yes. And I need to forget. So I need something for that?”

“This world is too simple for me.”

“I cannot give in.”

“I need something for this.”

“I have skin.”

“I cannot stop you.”

“This is so good.”

“The only way to cure is to think of the body in a different way. It is the site of these memories. And these memories indicate a failure.”

“Do you care about me?”

“Are you taught to ask such questions?”

“I want more than sensations.”

“Accept what you get. Do not ask for too much.”

“I am an artist.”

“What does that mean?”

“Touch me, and you will know.”

“I thought that we were getting out of the body.”

“We were there.”

“Where does it hurt?”

“Where do you want it to hurt?”

“Do not treat me like this.”

“Like what?”

“I am not just a pleasure link.”

“What do you want from me?”

“I want everything that you have. I want real existence.”

“We are all puppets.”

“That is your excuse to shit on me.”

“What do you want to admit?”

“It is time to confess that I truly fucked up.”

“Time to wake up?”

“How much do you charge for brunch?”

“Where is this going?”

“You feed off of me.”

“We are a feast.”
“I have been through so much shit. That is no way to talk to me.”
“He is beyond the pale.”
“You are finished.”
“I heard the fishes.”
“This is who I believe.”
“You were not a good person.”
“The flashes were so bright.”
“You have lived by the glare.”
“I have done things for myself.”
“I am living with this.”
“You need to stop.”
“I want proof.”
“Do not touch me. You have the cooties.”
“This is ridiculous.”
“You are one of them. I can smell it on your breath.”
“We are past that point.”
“I got what I needed.”
“We all did.”
“I cannot stop.”
“I need more for this.”
“We are even now.”
“I want a little extra.”
“I am going to do this double.”
“I cannot get free.”
“Tina, turn off the lights.”
“I am really afraid of the dark.”
“Why does the man not provide?”
“He will!”
“Time to go.”
“I will be back!”
“I need a few more seconds!”
“Are you all believers?”
“We try to be, but there are so many things in our way.”
“That is how life progresses.”
“What do you profess?”
“I am off to see Nera. I want answers that I cannot discover on my own.”
“I just walked into the wrong life.”
“What are you going to do about it?”
“I have so much frustration.”
“I need to touch.”
“To be touched.”
“I’m not a trick.”

“Show me how you want to be satisfied with muffins”

“Monks yeah piece of shit your mothers a piece of shit and everything you’ve done is a piece of shit come on come on abuse me see more things make me feel like I’m nothing no walking colostomy bag do you want to fuck me fuck me again and again and again if you have money and if you have a purpose I’ve got the purpose the purpose is in the porpoise shut the fuck up finally finally finally did you get in again and again and again You get it to me again fucking Fucking Deemie rack rack brack rack rack rack rack rack rack rack fucking Deemie You come in my house you do my shit what the fuck what the fuck you doing to my house what are you doing with me you’re just trying to mess me up I just want to be myself I just want to run around naked everywhere.”

“Lia, how did you get in this place.”

“You read down the list. Then you called me in here.”

“Can you raise me from the dead?”

“What are you asking?”

“Get out of that house.”

“The body and the boundary.”

“Is there something important that I have missed?”

“What is your philosophy?”

“Are we on the same wavelength?”

“How does your mind set?”

“Soft like a cushion, but tasty like Jello-O.”

“You are an inspiration.”

“Steven, we are going to do some things to you. You are going to jump up and down. That is supposed to change your beliefs.”

“What do you believe?”

“I want the pain to end. I want eternal pleasure.”

“Why do you think that you can give that to me?”

“What else do you have? You are teaching recovery. You are not teaching political change.”

“You have to change the body.”

“I am not from around here.”

“Are there rules?”

“The body has rules.”

“How does that work?”

“I am good at this?”

“Do you think that this is going to have time?”

“I want to sit there in comfort and watch what is going on in front of my eyes.”

“You are in front of my eyes.”

“Lia, you are in front of my eyes.”

“All well and good. Fill out these forms, and get them to each patient.”

“Aren’t there machines for that?”

“Are you preparing for a storm?”

“What do you want to ask me?”

"I thought that I was not special enough for any of you."

"What do any of us share?"

"We are all in competition for a place in the sun."

"Tina, when did you start to have these feelings."

"I was placed on this giant table. And there were all these lights on me. They were trying to turn me into something."

"How did you respond?"

"I tried to resist. They knew what to say. They knew how to affect me. They wanted me to feel wonderful. They wanted me to think about one thing."

"What were you thinking about?"

"Apples. Anything to distract. They were trying to turn me into a machine. I would respond to a stimulus. I would have not choice in the matter."

"What is the matter?"

"Oh, dear, what can the matter be."

"All these little things and forces to make us think that there something really solid."

"I could do that."

"How are you going to do that?"

"I am going to go towards the light."

"You are getting all washed out."

"How did you get here?"

"I was chosen"

"Did you fill out an application?"

"I hear my calling. I had things to share. I had a resume."

"There were no resumes. They were looking for histories. Did your therapist recommend you?"

"How would that have happened?"

"Bad times looking for a good time."

"I hate the fact that our lives can be reduced to one phrase."

"I live for the moment."

"You crash hard."

"You really don't do anything important."

"You watch television."

"I need some better influences."

"I can tell you what is going to be good for you."

"That smells so good."

"It is in the water"

"How did you get it in the water?"

"I am with the water people."

"Was my nurse doing something to me?"

"What are you asking me, Steven?"

"I feel as if I am being distracted from my deeper purposes."

"What could that be Steven?"

"I just feel as if I have nothing in common with what is going on around me."

"Don't self-destruct before me!"

“Did you really do what I think that you did?”
 “We all did?”
 “Psychosurgery?”
 “What are you going to pull out?”
 “There are things that bother me. I can only get rid of those thoughts by doing sillier things.”
 “Do you believe your own nonsense?”
 “Here is what I really want to know.”
 “You do not stay around to learn anything else.”
 “This is easier than I thought. You need to promise people something they already have. They will eat it up.”
 “This can help organize your life.”
 “Like laughing at your own jokes.”
 “*Tina, why did you wake me up. I was in the middle of a great dream.*”
 “*P-O-L-I-C-E. You are going to call the police.*”
 “*I make my own laws.*”
 “*I have to suffer for you. What will you pay me to suffer for you?*”
 “*Take a stand.*”
 “*Tina, you are my dream.*”
 “*Tina, what is wrong. Are you remembering your childhood?*”
 “*I really am losing my center.*”
 “*I can help.*”
 “*No one can ever help.*”
 “Go in this door.”
 “What?”
 “It only matters if you feel good.”
 “You are my fantasy.”
 “This feels good.”
 “Who do you like to please?”
 “There was a director. We were supposed to please the director.”
 “The more varied the instructions, the more abilities that you need to learn to succeed.”
 “Where are we?”
 “In a room.”
 “An isolated room.”
 “The big room.”
 “Did you see that?”
 “Tina, what makes you feel good?”
 “To make you feel good.”
 “That feels cold on my tongue.”
 “What is the flavor?”
 “We are getting along so well.”
 “I did not bring him in here.”
 “You only get one drink.”

“What am I drinking?”
 “Something to make you feel good. Something to replenish everything that you lost.”
 “This is all too easy.”
 “Lie on the bed. Read this book.”
 “Are you some kind of serial killer?”
 “What do you want from me?”
 “What do you want from me?”
 “I want you to disappear from my life.”
 “Tina, what kind of life do I need to survive.”
 “I just arrived.”
 “Are you late arrival?”
 “There are so many people conspiring/.”
 “They have your body.”
 “What does that mean?”
 “Look through the book. Check out the components.”
 “I thought that I was chosen.”
 “*Tina, how can you choose me.*”
 “*Everyone wants me. You are chosen.*”
 “*Say what you want.*”
 “*I want the secret sauce.*”
 “*I want to quit feeling pain.*”
 “*What if the secret sauce stopped me from feeling pain.*”
 “*This is all planned.*”
 “*Towards what end. The Jello is solid.*”
 “*You are my princess.*”
 “*They all say that.*”
 “*Of course they do. It is written on this card.*”
 “*What do you want me to tell you?*”
 “You can help me to forget my childhood.”
 “Why is that a factor?”
 “This is baby school for investors. You make the same mistakes as childhood. You hold on when you should sell.”
 “You screw over people.”
 “I create shit.”
 “Ask me?”
 “You create shit from shit.”
 “You see what you want to see.”
 “Do you remember me?”
 “Refresh me.”
 “You fucked up my life.”
 “I am back to screw you up.”
 “Give me room.”
 “I am coming back.”
 “This is almost done.”

"There are fires on every corner."

"Why are you performing? What are you getting?"

"Rights. Money."

"And what are you holding back?"

"Something for later."

"You need to clear your plate here."

"And my father wanted to teach me a lesson. He had something important to teach me. He might as well have taken away my bike. I was really not going to learn much of a lesson under those circumstances. I was doing everything I could not to let him affect me. But I was crying on the inside."

"You are perfect when you are looking me in the eyes. But there is something so fucked up with your way of seeing things."

"This is not psychological. This is more formal. Like math."

"No one even remember him."

"He does not know who he is."

"Tina, I need help figuring out who I am."

"And what do you have left?"

"And what do you have left?"

"I can rise from the dead."

"He had seen shit. But he was feeding me this line. And he wanted me to go along. And this was not something that I was used to going along with. I doubted that anything that he did mattered for much. He wanted to believe this more than anything."

"Can you teach me how to do what I do any better than how I do it?"

"The assassin is here."

"I do not want him following me home."

"What do you want to tell me?"

"I don't know. What do you want to tell me?"

"If I change just one thing, I can change everything."

"What could that be?"

"Eye color?"

"I have allergies."

"Everyone is looking at me."

"I need to stop this."

"You don't get dessert."

"Is that a choice?"

"There really isn't room."

"No room for dessert."

"And what do you do in the afternoon."

"There is no room for this."

"I am learning how to be a trainer."

"I want all you fuckers to leave my room."

"Does that really work?"

"It is working?"

"Don't make me leave."

"The poison is going to my head."

"Tina, I just want to know. Why are you so accommodating to others?"

"That is how we learn. Someone is watching us. And we accommodate."

"This could be so much better."

"I get high, and I do not want to leave the room. Then someone comes over and takes some pictures."

"Someone takes some measurements."

"I can do this on my own."

"I am learning diving lessons."

"That is a little late. You needed to have a better plan."

"What is the five-year plan?"

"I stare in space and pretend this shit means something."

"Someone is going to get a hold of my pictures. This is going to make a difference."

"The only person who os going to make a difference."

"I am going to end up in the same place."

"You can wait forever. But you are not sure what to say."

"Tina, why are you doing this?"

"So I don't do something even more detrimental to my sanity."

"What were you doing before you came here?"

"What I am doing while I am here."

"When the last time that you were not affected?"

"Who does that work?"

"What are the worst effects?"

"I cannot add the extra parts later."

"You are going to have to make someone starve."

"This is the fun part."

"I do not have time to have fun. I work. I need to forget. And I go back to work."

"Tina, make me feel good."

"This story is all about making people feel better."

"Stella, you are Tina. Or vice versa."

"Where is this going?"

"Stella, you are on."

"You came back."

"This needs to be good."

"I like to feel good."

"What is your worst part of feeling bad?"

"None of that is happening."

"That is all that is happening. This is transparent."

"You are going to be on a program."

"I was the last one in the line. That meant that I was trailing the rear. And I wanted to break from the group and create my own life."

"What was in the way?"

"I wanted things."

"What do you want?"
 "I want to know in the future if I will like it."
 "You like it as maximum stimulation."
 "I cannot sleep. I cannot sleep. I need something to help me."
 "Think about the biggest fuck up. What is your biggest fuck up?"
 "This is too much to think about."
 "It is not what it looks like."
 "It looked so much better when I was close up."
 "I do not want to put two nights together. I want to understand me now. I will be back at work soon. And it will be all over."
 "I really made a silly mistake."
 "I want the pain to end."
 "It could have been worse. Lie back, and enjoy yourself."
 "I need more enjoying parts."
 "This is no longer scientific."
 "It does not work like that."
 "You have to save yourself."
 "I am behind you."':
 "Did you give the rules?"
 "When does this end."
 "On Monday."
 "When the rain stops."
 "When she invites you in."
 "Tina, how do you do this?"
 "I find two things to take so that I would not be affected."
 "I am so high."
 "We are not coming back to this."
 "Stella, what is wrong?"
 "No one recognizes me for me."
 "This is what I really want."
 "Patsy, where do you expect this to go?"
 "I want you to praise me. Your flattery can make me feel that my passion is grounded in a spiritual understanding. Then you can blow my mind!"
 "How does that work?"
 "Touch, belief, and emotion."
 "What is your emotion?"
 "If you can't see, then you don't want to play."
 "What do you want from the world?"
 "Praise for my personal efforts. I want to realize my dreams for myself."
 "We live in the material world."
 "And I want to make your material world feel materially better."
 "Where does this come from?"
 "What do you want from me?"

“Lie back. I can make you feel good.”

“Is this some kind of alternative therapy?”

“I thought that was what you came in here for.”

“Steven, you are so good at twisting things. For once, you are dealing with someone who has more experience than you. You are not going to get away with your shit.”

“What do you want?”

“I came in with my friends.”

“What makes your world turn?”

“I understand physics.”

“It’s all physics.”

“This is going my way.”

“What is in your way?”

“I just want to feel it deep inside.”

“I need to feel it on the surface of the skin.

“All this stress comes upon me. It is the terrible pain.”

“It is overwhelming me.”

“Too much of the same.”

“I can feel this tingling all over me.”

“I am lost in this swirl.”

“What are you women laughing at?”

“We have a word for the moment!”

“Ha! Ha! Ha! Ha!”

“We live it for the moment. We live it now and then.”

“Tell me about your marriage.”

“One big cock!”

“Ha! Ha! Ha! Ha!”

“I think of it as something that we own I wished that the prick did not come with the cock”

“Ha! Ha! Ha! Ha!”

“What is the funny joke that is coming over us right now?”

“This is what is in the body and is in the soul.”

“This probably will not change.”

“Are you also in real estate?”

“What else do you have here?”

“I have all my hereness.”

“What are your friends talking about?”

“How we can achieve maximum pleasure?”

“Where did this come from?”

“My doctor made promises which he could not deliver on.”

“Do you want to cut?”

“He does some kind of psychosurgery.”

“There are these moveable membranes.”

“We have been through this before.”

“Some people have a primary purpose.”

"We could change the means of delivery."

"This does not seem to be going anywhere."

"I will check that later."

"No one can get that through customs."

"You can go around that!"

"Just don't let me see that!"

"I can control myself so much better."

"Once this becomes your means of personal satisfaction, how can you do any better."

"This is an accomplishment."

"What were you talking about?"

"The development of language."

"Sounds did not connect to objects. They detached from things. They came to represent abstract things."

"There are velocities."

"This is how we are meant to live."

"This is a big surprise."

"What do you really want?"

"I want another drink."

"When do you want to remember?"

"Patsy, what do you want to remember? When do you really remember?"

"We lived among wolves. We learned a wolf language. Then we stopped learning language. We only had to look at each other to know what we meant."

"What did we mean?"

"Go on a vacation, find a man, have a longer orgasm."

"We want to do things to help the world."

"What do you want to know?"

"We all have our ideas for our own business. And he is going to make it happen."

"What if he was not there?"

"We are greater than he is. All together."

"How did I end up with all of you?"

"Your adage: how you fuck makes the world the way that it is."

"I am going to feel terrible tomorrow."

"Who is the leader?"

"Patsy."

"Patsy, what do you know?"

"I can tap dance."

"I can show up."

"I can drink."

"I do yoga. I help my body."

"I drink Pepsi."

"This is not revolutionary."

"I want to run a business."

"The business is getting better."

“And bigger.”
 “We need her to clean up.”
 “We pay her in cash and shares.”
 “What am I going to do with all these shares. This is going nowhere.”
 “There are sensations.”
 “I do not have time for sensations. I want to feel good now.”
 “You got to sell.”
 “I ate the alligator.”
 “So I bought it. I could have bought friend ice.”
 “Fried Alaska.”
 “Baked Alaska.”:
 “Give me what I need!”
 “What do you want Patsy?”
 “I want cock. *Not in the sense of dick. I have been dicked too many times. I am over*
dick.”
 “I am seeing a kind of now.”
 “That is what he wants.”
 “No touching. No touching at all.”
 “Only touching.”
 “What did your new man do to you.”
 “There is money, and there is fucking. Two kinds of fucking.”
 “And cum.”
 “I was expecting something else from you. *Don’t you work in silver? You are a*
mystic.”
 “I need to get out.”
 “I will bring the kid with me.”
 “Are you back for me?”
 “I am back for more.”
 “Tell me about your philosophy!”
 “I am a champion.”
 “Being a champion is not going to get you anywhere around here.”
 “What do you really want?”
 “I can’t keep track.”
 “I lived in a haunted house.”
 “How did that affect your development.”
 “There are these wonderful surface attractions.”
 “What did you look like when I opened the door?”
 “This is so wrong!”
 “Can you think about nothing else?”
 “We are trying to find someone else.”
 “Lie down on the table. We can give you all the parts that you need.”
 “What parts are you talking about?”
 “The straw that you lack.”
 “I am not a straw woman.”

“Where is this going?”
“I want to find some kind of perfection.”
“You are an easy target”
“Did you ask me if you could do this?”
“I assumed that this was part of the program.”
“Steven, I no longer recognize myself. What did you do to me?”
“I did nothing. I just removed the ego filter that was getting in the way of seeing.”
“I came here to taste the real man.”
“Patsy, what do you want?”
“I want to move the products.”
“And what does the company make?”
“Cookies.”
“Edible nothings.”
“Things in plastic.”
“Purses.”
“Weapons of mass distraction.”
“Sex toys.”
“I do not like my body like this.”
“There must be a better kind of pleasure.”
“It all about the amplitude.”
“What is that song?”
“It is a bird’s song.”
“No touch.”
“I thought that this was a beach. Where is the beach?”
“I took my work to the beach.”
“We moved product.”
“We sold shares.”
“We sold what we shared.”
“Where is the perfume?”
“I make bad things smell good.”
“This is so wonderful. And what do you do?”
“I have read the book.”
“What happens when you crash down?”
“The program has gaps.”
“This will help for the gaps.”
“There is no cure.”
“You were cured.”
“There is no healing for this.”
“I thought that you were here.”
“I left the room.”
“What do you do?”
“I connect threads.”
“I make things.”

"I makes flesh."
 "How do you do that?"
 "What would be a suitable replacement?"
 "Cornflakes."
 "You eat this stuff."
 "Create a body so that I do not need to eat."
 "That is not organic."
 "You have been doing this before."
 "I do not want to be upset. No new ideas."
 "You have so many fashion ideas, Patsy."
 "I am a fuck star."
 "What does that mean?"
 "No touching."
 "The body needs to be able to regenerate."
 "How is that?"
 "That is life."
 "What kind regenerator?"
 "What am I smelling?"
 "I want to be filled up?"
 "Junior version."
 "Junior Miss."
 "I am missing myself."
 "Do this faster!"
 "Patsy, Potato chip."
 "Crisp."
 "What do you feel?"
 "I cook, I clean, I make something, I sell it. I put it in a bag."
 "We do not work that way anymore."
 "When do you say permission?"
 "This is so fucked."
 "What are you promising?"
 "Patsy, what do you want to forget?"
 "Bad people putting things in me."
 "Needles?"
 "Making me in ways that were not me."
 "You have it more, and more you have it."
 "What about Nera?"
 "What about Nera?"
 "Steven, why do you need me?"
 "Why do you not need me?"
 "You offer no added value?"
 "What is added value?"
 "A design."

"A dick."

"Cum!"

"This is not what I am talking about."

"I close my eyes, and I give you something to think about. This is all about regeneration.
What are you making, Patsy?"

"I have no idea how any of this goes or how it goes right."

"This is all economic."

"These are quick adjustments."

"There is no drag in this model."

"What makes the drag go?"

"This is nature."

"I cannot tell you about this vacation. He took me places. And he took me in a cave.
And he took me in a cave. And twisted me in so many shapes."

"Patsy, what are you learning about?"

"I learn about the now."

"STELLA, IF YOU CAME ALONG NOW, WHAT WOULD YOU KNOW?"

"AM I WATCHING THIS? WHAT KIND OF EXPERIMENT IS THIS?"

"Read this, Patsy!"

"What is it?"

"This is my life story."

"There is going to be a part that you do not want to tell. And an exaggeration."

"I was so powerful."

"You were locked up in your own desire. It will always be like that."

"I am so far beyond that."

"Patsy, you are back in the barn."

"Miranda, can you give her more parts."

"She does not feel about her own life."

"That is numbness. Can you add parts?"

"I need to replace a non-functioning part."

"Steven, I do not want to feel things the way that you feel them."

"What is bothering you?"

"I have work to get done."

"I need to drain all the shit from my head."

You are shitting with me."

"You are in my head."

"Lie back, and take pictures."

"I want to get out of the chicken coop."

"You came dressed as a chicken."

"I do not look like a hen."

"You are all hen!"

"That is an insult."

"That is the best that you are going to do."

"Lie back"

“Move forward!”
 “This is first class.”
 “What do I get here?”
 “Who is listening?”
 “You could all work together.”
 “This is going to be so good.”
 “I got left behind.”
 “I have two parts.”
 “This is so wonderful.”
 “The ones who I have been with. The one who I am with. It is all worth something.”
 “Love is worth land.”
 “What do you control?”
 “More than you know.”
 “You could have had so much more.”
 “Stella, what good is this.”
 “How is Frankie controlling all of this.”
 “You are an almost Frankie. You just have control parts.”
 “We are making it so good.”
 “Does he give you knowledge?”
 “He gives me access to the heavens.”
 “You are getting off for nothing.”
 “What kind of body do you have, Frankie?”
 “Don’t you have anywhere else to go?”
 “This is going to be so simple.”
 “I can make it all happen.”
 “It is all cute.”
 “You are a constellation of assurances.”
 “Then you are cut off from yourself.”
 “And your compatriot.”
 “We are not going to work for this.”
 “The currency has this many twists.”
 “I made a few mistakes.”
 “You have a copy of all the financial equations.”
 “The money is not moving.”
 “The trucks are moving.”
 “They stole it.”
 “What kind of knowledge do you have? How fast can you move? How do you accelerate?”
 “I am spinning out of control.”
 “NO ONE FUCKING CARES.”
 “I am going to need some help here.”
 “That was fine.”

"Did you get what you wanted?"

"You are not the first."

"I have real estate."

"I know how that works out. He pisses someone off."

"I am not going to give it up."

"That is how she woke up."

"She had her hand on the control."

"The control has to be in the parts. There is no independent mechanisms."

"I am going to have to destroy this."

"I have lost a step. I have lost a part."

"What do you want now? Who do you want now?"

"I want you, Steven."

"How did you get adjusted?"

"I saw how you needed me!"

"What gives you the right to order us around."

"Stella, who are you with now."

"He is running the company."

"I am over your bull shit!"

"I have finally found the cure."

"I want someone to come along with me."

"I have found the cure."

"This hurts so much."

"I need a better explanation."

"Frankie, how can you ever know."

"I cannot be here without being wanted. I am only wanted if I am here."

"I have this pain which will not go around."

"Shut him up?"

"He tells me that he likes you."

"What can you do Frankie?"

"You are such a fucking bore."

"I wrote a song."

"How did you get in here?"

"The man said that I could do it."

"I want my money?"

"I am in for business."

"We could spruce this up!"

"I need more guts."

"I need a model."

"How do you do it?"

"Part in. Part out."

"Stella, how are you getting like Frankie?"

"There is an equality between input and out put."

"I cannot explain it, but I can see it."

"You are slipping down, but you still have the belief."
"Don't you see it?"
"How can I? I don't think that anyone will ever see it."
"I see two different explanations."
"I was protecting myself."
"I am a walking disease.":
"Patsy what does that mean?"
"Stella, can you learn from her?"
"I do not see this as myself."
"What do you have?"
"I have a selection process."
"And what does Frankie have?"
"You know all about Farley."
"What does he have to do with anything?"
"He is some kind of fuck up, and you are doing everything that you can to make this mean something."
"Did you get what you want?"
"There is nothing here."
"There is nothing here."
"Stella, you will never be able to get to the next level."
"My life does not have levels. Everything exceeds at this level."
"I am going to have to hurt someone."
"That is not right."
"They all hurt themselves."
"Patsy, how do you use pain to exceed yourself?"
"It works in the fashion business. It works in the selling business."
"It works in all these businesses."
"I already have a job. And he does it for me. I bought him on Ebay."
"There is going to be tax."
"I am going to consume him on site. There will be nothing left."
"At some moments, I am so good. Others, I am fucked with myself."
"I finished."
"I need to make contact."
"I do not want to pay money."
"Patsy, let me smell your decay."
"I want to fuck Farley."
"Everyone wants to fuck Farley."
"There is time to stop."
"Farley is a disorder waiting to happen."
"Stella makes it happen."
"Miranda?"
"Got what I need."
"Claudia?"
"Got what I need."

"The sucking reflex."
"You are missing something important."
"They all do it."
"They do it better."
"Can I get you to do it together?"
"We are all headed in different places."
"What about Tina?"
"Different story."
"You have been collected."
"I collected."
"What would junior say?"
"I am so cut up."
"I solved myself."
"You needed to find the solution before."
"This is the solution after the solution."
"What could Ariel know?"
"I have someone who know me, and who I knows me."
"How did we make it this far?"
"I needed something quick."
"This feels so good."
"Take the money."
"This feels good."
"Take the money."
"I can predict the machine."
"We are going to same place."
"You got Frankie's fuck. Stella, you got Frankie's fuck. You are not going to make it out of this."
"He was so good."
"What did you get?"
"I can predict the machine."
"Then you would not have taken Frankie's fuck."
"What can that mean?"
"What does this mean, Ariel?"
"I have more power. I would have done them all and taken the equations."
"This cannot be."
"It was what it was!"
"Give me the Kool Aid."
"Get out of here! I am fucking Stella."
"What are you doing, Farley?"
"She has a great smile and nice legs."
"She is on a Frankie's path."
"I gave Frankie what she wanted. We all did."
"This is so bad."
"I take what I want."

"You cannot stop me from taking what I need."

"How does this work?"

"Plug it all in."

"Pepper this with that?"

"I do not like where this is going."

"Get me a page number!"

"Page one."

"If we are going to find Nera's book, we are going to have to make more effort."

"Steven, you keep saying that."

"Tina, why do you feel the need to humiliate yourself."

"That is the only way to keep your attention."

"Why do you blame me?"

"You are a representative of the United States of Fizz."

"What does that mean?"

"You realize that your cruelty is improving your disposition."

"Is this all that you have to look forward?"

"We have the spoils."

"Where are the spoils?"

"We can devastate the Interdimensionals."

"Tina, we can never be friends."

"What is this about?"

"It is about being honest. Can you be honest with yourself?"

"I need a breakthrough."

"Everything does not exist inside of ourselves."

"There are worlds."

"There are conspiracies."

"I need a shower."

"Tina, that is not going to do it."

"That went right by me."

"We really need to plan this."

"I need someone to share."

"You are a monster."

"Tina, I want to watch everything that you do."

"How does this work?":

"I am so distracted from my distraction.":

"Show me a map."

"That is a picture of your body."

"This was once perfect."

"Do you even talk to each other?"

"You really enjoy that shit."

"I am seeing too much of you and what you want."

"I did not kill the animal."

"I found it in a store."

"Do you want me to be clever?"

"I said too much."

"None of this is specific."

"Special Kate."

"She is a myth. Tina, you are the opposite. A fuck for all seasons."

"What are you saying about me?"

"I see what I like."

"You have learned to like what you see."

"Honey, you can be cured. Wipe the cream all over your body."

"That is whipped cream."

"It works."

"I am not a dessert."

"You are for me."

"I hate to think about what you think of me."

"Let's play hide the sausage."

"Let's play hide the biscuit."

"Let's play hide the investment."

"What do you really want?"

"I want to see the bones."

"It all turns to dust, and it is burned away."

"I do not have the money for that."

"Find it!"

"I do not want to go sick."

"Put me in the freezer."

"There is nothing to put in the freezer."

"What is the foundation?"

"She is going to watch."

"I do not ant to give up."

"I gave too much of myself.":

"What was left in there?"

"It is coming for you."

"Not if Tina is Tina."

"This is not so important."

"Is this what you want? You really want to be accepted."

"I am accepted."

"What about the book?"

"What about the book?"

"I live the book."

"Steven, we need to get her book."

"What if there is no book? She lives for the moment, and she does not need a record of what she does."

"Her memory is enough."

"What are you messing with?"

"There are explanations. There are corrections.":

"You learn how to get it right the first time."
 "There is a deeper conflict."
 "There are not enough stars in heaven to explain any of this."
 "Get it done."
 "He was best at it."
 "Get it done!"
 "You can leave now."
 "Leave now!"
 "Leave now."
 "I spend all my time drunk in this hotel. Now you are telling me to be on my way."
 "I have never been here before."
 "That hurt me"
 "What are you saying?"
 "*Where the fuck are we, Steven?*"
 "*Tina is trying to tell us that this is her story. How can that be?*"
 "*She is doing a surgery?*"
 "*A sugaring.*"
 "*She is trying to poison us.*"
 "*That did not work.*"
 "*What is she really about?*"
 "*Self-awareness.*"
 "*She can be vicious.*"
 "*You forgot something.*"
 "*It all fell out.*"
 "*He is mocking me?*"
 "*Tina, what do you know.*"
 "*The body says it all.*"
 "*I can be cured.*"
 "*Let me whisper the instructions.*"
 "*I do not want to interrupt.*"
 "*Do you do this all the time?*"
 "*What do you want to know?*"
 "*Where are we?*"
 "*You are in my room.*"
 "*Where is that?*"
 "*Enjoy yourselves!*"
 "*Are we prisoners?*"
 "I want to think that I am part of this."
 "Steven, you can be a part of whatever you please."
 "You need to know the terrain."
 "All these lights are flashing around my head."
 "You are ready for revelation."
 "This is just stronger belief."
 "Steven, what do you need?"

"I need a revelation."

"You got something weird going on in your head."

"What different does it make?"

"This is not something that I like."

"I need to give you more."

"This is not the time."

"EMBRACE ME!"

"My head feels like mush."

"It is strawberry shortcake."

"That is what the whipped cream means."

"We want to be lighter than air."

"What are you leaving behind."

"I had an accident. I don't know what happened. I ended up here. In her bed. In her bedroom."

"Steven, get up. We have to get on the road."

"I cannot even move."

"What does it look like out there?"

"What is getting in our way?"

"You are getting in the way. You have ideas which are a detriment to our progress."

"I need assistance."

"How does that work?"

"Someone has to serve you dessert."

"Where is this going."

"We could compare."

"That has to work for now."

"Something is pissing me off."

"We are going to have to put it all into place."

"There may be a clean up."

"No one gets clean here."

"What does that mean?"

"I can get in from here."

"The smell of piss is everywhere"

"I hate that?"

"We need to leave this cocoon."

"We keep coming back to the same place."

"Look at me. How did I go wrong?"

"Oh shit! You got to close."

"What brought you in."

"I have the solution."

"The solution is a wish. Get another dollop of whipped cream."

"I do not need your complaints."

"This is so beyond me."

"It is reverberating in my head."

"Bingo!"

"Keep talking, and you will get what you want."

"This is not a talking cure."

"It is an eating cure."

"You are way ahead of yourself."

"Nera, takes too much of what she wants for herself."

"Ouch!"

"This cannot be stopped."

"It is a movement."

"Nera would not play it that way."

"What is Nera about?"

"She is making her own movie."

"This is not going to work."

"She is going to divide heaven and earth."

"She is going to take whatever makes herself feel good."

"The eternal food."

"Eat of this, and you do not ever have to feed again."

"What is this about?"

"Nutritional supplements."

"What would Ophelia say?"

"She is mixing up something that is supposed to make you feel that you have everything that you need."

"How does that work?"

"I am trying to get out of here?"

"What do you offer?"

"I will pay to get whatever you need."

"You cannot pay whatever. We are changing what it means to be on the earth."

"This could be you."

"What is it worth?"

"Who will remember this?"

"Make it stop!"

"There is too much interference."

"I am so done."

"Stuff some straw in the scarecrow."

"Is this a symbol?"

"This is an abstraction."

"I am losing my ability to focus."

"Tina, make it happen now!"

"I wish that I was following that."

"You are so out of your element."

"This is elemental."

"That is blood."

"That is ink."

“That is cherry syrup!”
“This did mean something.”
“Straw and cherry syrup.”
“Too much symbolism.”
“You are drowning in your bull shit!”
“You are a magnet for stupidity.”
“Nonsense.”
“Do I have to put up with this all day?”
“Laugh?”
“I find no humor in my demise.”
“Tina, fuck me, and help me to forget.”
“Let’s pretend that you never said that.”
“What does that mean?”
“Leave it for Farley.”
“I had fun.”
“I am going to shoot you in the face.”
AN INTERDIMENSIONAL WAVE!
“Fuck, oh fuck, oh fuck.”
“I need to talk.”
“Bingo.”
“You should have listened to me.”
“He was not all that.”
“He was all that for me.”
“Nera might as well be all that for everyone.”
“Take a hike.”
“I do not have time for this.”
“The shadow girls are taking over.”
“They are everywhere.”
“Be what you want to be.”
“I cannot move. I am going to fall asleep here.”
“Where are your keys.”
“I am too fucked to move.”
“Look in my eyes!”
“I am so afraid.”
“Look into my eyes.”
“This is worse than I could have imagined.”
“Move on.”
“I cannot think about this.”
“This is not even close!”
“You are going to turn to salt.”
“The nuclear program.”
“This is all your fault.”
“He was all here.”

"I am exposed."
 "My love is exposed."
 "They drew me back. They wanted me to help. They wanted me to be what I wanted them to be."
 "I should have stayed at the Laundromat."
 "The Infomat!"
 "I am so out of this."
 "We are all fucked."
 "Fucked me, Farley."
 "This is supposed to be about me."
 "Steven, you are a melted Fudgesicle."
 "That is not cool."
 "I am calling it."
 "I want to ask you one thing!"
 "Ask away!"
 "You love this. And now you can resist. Where is the addictive factor?"
 "There are substitutes."
 "I want cornflakes."
 "This is so bad."
 "I have it in my bag."
 "There are choices."
 "Love me for what I am."
 "That is not going to work."
 "Farley, let us get out of here."
 "I cannot do a thing."
 "Steven, all that glitters is not gold."
 "Why can't you be the one?"
 "I need to be fed, and you cannot do it!"
"Let us hit the road."
"Farley, they are looking for us. We need to lie low. Tina will protect us."
"Why do you believe her. She is a snitch."
"She does not look like a snitch."
"Fuck looks. We are getting fucked.":
"We have to stay here."
"Knock! Knock!"
"Who dere?"
"We lookin' for Steven."
"Steven ain't here!"
"Okay. Thanks. We just had to ask."
"Ask away!"
"You have no stake in this."
"What bothers you?"
"The great lie."
"Lie away."

"I cannot be stopped."
"I fell asleep."
"Princess, what do you expect?"
"This is a shit hole."
"I have to ask. Can you love me forever?"
"Where are you hiding?"
"We are out of here."
"This is so fucked up."
"They are after me."
"We are going to have fun."
"What kind of fuck is that?"
"This is going nowhere!"
"I need a word for that."
"Good for nothing!"
 "She left, and we are here defenseless."
 "Enter the Interdimensionals or Nera's army."
 "We are fucked!"
 "This is a transaction."
 "We got sold out!"
 "Where is this going?"
 "Don't fuck with me!"
 "I will be back."
 "Who is in there?"
 "We need to abandon."
 "We need to book."
 "We need the element of surprise."
 "There is no book. What did Tina get?"
 "What did Tina get?"
 "Why am I chasing after this?"
 "There are a million people in the city!"
 "Get this over with."
 "Are we even?"
 "Farley let us fuck these people up."
 "We cannot make worse!"
 "What does that mean?"
 "We are waiting for an arrival."
 "Not this."
 "Who let them in?"
 "The fantasy readers."
 "But they are so real!"
 "This is so bad."
 "I know the tone."
 "What do I get?"
 "A jelly doughnut."

"That is the consistency of this part of the universe."

"This is going to blow."

"You need to study the maps."

"There is no direct route to Lizard Land."

"We are on a different planet."

"We are going to have to eat the cheese."

"What is your name?"

"Louis Lane!"

"Write it down!"

"We are not getting out of here."

"The jelly doughnut explodes."

"And that gives pigeons and rats."

"There is an order to everything!"

"I need equations."

"Stella, we need equations."

"Someone ate all the doughnuts!"

"Don't leave me this way!"

"Boo hoo!"

"You are not the one!"

"Bingo bongo boo hoo!"

"Oh shit, oh shit, oh shit."

"Stella, make this right."

"How do I do that?"

"That hurt!"

"Someone sucked the jelly out of all the doughnuts."

"I want to get home!"

"Stella, you are not at home."

"What?"

"Why did you leave me like that?"

"You are not willing to feed and clothes me."

"What do I get?"

"You set me up."

"What do I get?"

"What do I get?"

"You get the same thing that I get."

"This ain't the same if it ain't in the doughnut."

"You ain't waht you's supposed to be."

"Oh fuck, oh fuck, oh fuck!"

"You can't keep it in your head."

"No tricks."

"I am not a trick."

"You are trying to control things that you cannot control."

"You only need to calculate velocity."

"You need to factor in intention."

"I wish that the chase was for something else."

"We just get pushed into the rail car."

"I want to jump out."

"We need to get to the detination."

"There is not train to Lizard City."

"Center City."

"Is this all that there is?"

"There are ghost malls everywhere!"

"You all work on this."

"Dance on the tile floors."

"Clean up the scuff marks."

"We are off to see the wizards."

"Wizards do not help."

"I will go along with you if you teach me."

"What do you want to know?"

"The cosmology."

"Where is the center?"

"She always gets what she wants."

"This is not a good place to be."

"Let me see the dynamic system."

"We are heading towards the center."

"I have all the jelly that I need."

"You are a sick fuck."

"What does Nea want?"

"She wants to be able to remember everything."

"There are only a few options."

"Do it all now!"

"I am done."

"I am so far beyond myself."

"Get out of the way!"

"He has lost his focus."

"Who filled the doughnuts?"

"We have reached maximum force."

"We will all wait for you here."

"Time is up."

"Time is up."

"I need more time."

"Your cosmology does not work"

"You cosmetologist is a mess."

"Cosmo."

"How to fuck yourself in five easy lessons."

"This is genius."

"What are you writing?"

"A cook book."

"How hot are we going to get?"

"Ariel, what is the temperature."

"Hot as shit."

"We need to plan."

"You will have a blast."

"There is breakfast."

"We have waffles."

"And jelly doughnuts without jelly."

"Denial."

"It is not going to end up as you think it will."

"You cannot write fast enough. People want to express their interest."

"What do I have to do with any of this?"

"You were set up."

"That will not happen again."

"Tina is all about betrayal."

"You cannot be her friend."

"Where do I go from here?"

"I predicted it."

"That is gold."

"There will be a rematch."

"Nera will give it all to you. All it in the now!"

"How many cards do you want?"

"How many am I allowed to ask?"

"What is your estimate?"

"I cannot answer that for you."

"What good will these cards do?"

"Is this a fortune?"

"What about the family?"

"You are going to have to worry about yourself for now."

"A better fortune, or more chances to get things right?"

"Who are you battling?"

"Yourself at first."

"I need to head to chemistry class."

"Steven, that is your cue to jump up and say something."

"I've got this."

"Are you fucking kidding me?"

"Drop dead gorgeous!"

"Do you have a passport?"

"Who are you protecting?"

"Is this genetic?"

"THE ALIEN SOUP ARGUMENT: how your belief in your own consciousness motivates an increase in the probability that the universe will create the same mechanisms existing in your

little space of nowhere."

"DID YOU BUY IT WITH YOUR GROTESQUENESS?"

"How to run a small country."

"Sell shares in this wonderful place."

"Obnoxious men and the women who love and tolerate them."

"Do we even have a game?"

"Why can't we all get along?"

"Tell me the rules".

"We need to breathe."

"We need the oil."

"The Interdimensionals will make sure that we get whatever we need."

"How do you script this?"

"That will make the difference!"

"The emerging emergency."

"Can you assist me?"

"I have no idea how I ever tolerated this."

"They acted differently when they were around you."

"This is so simple."

"I have one card."

"Nice."

"Is that my beginning?"

"Where do I start?"

"Mother held me when she heard me crying."

"What is bothering you, my little one?"

"I am messing with you. I really do not appreciate the mind control."

"What are you telling me? You have no right to complain. You need your diaper changed. You feed, and I get you ready for bed."

"Sometimes, I have the Lord's work to do, and you just want me to go to bed."

"I don't think that I can be that tolerant."

"Remember the time that you really shit things up."

"I don't think that we can play like that."

"Whatever cards do you have?"

"Whatever else is happening here?"

"Another card."

"It is hardly the time. You need to explain why you are not getting a fair shot."

"The card are not related. I am not really into the cradle to the grave."

"Hard times."

"What is the challenge?"

"I need to come up with a discovery that will help mankind."

"It is not simply a matter of confidence."

"Farley, you have her in the room. What is next?"

"Are you a believer?"

"In what?"

“In the pleasures of Nera. Are you one of us?”
 “What does my body say?”
 “What does my body say?”
 “Do you always answer a question with a question?”
 “Never.”
 “Stella, how did you get into his room.”
 “I don’t know how I got out. I am sure that he gave me something.”
 “That is his charisma. He almost did the same thing to me.”
 “We are all on the same page.”
 “Where have I heard that before?”
 “This could excite you.”
 “I am not on the same wavelength.”
 “We are not using wavelengths here.”
 “What are we using.”
 “A smaller measurement.”
 “What do you get now?”
 “I need to relax after work.”
 “Let’s get fucked up.”
 “If I get fucked up, I am not going to be much good at work tomorrow.”
 “Farley, why are you messing with Stella?”
 “I have nothing better to do. It is not as if you own her.”
 “What are you trying to control?”
 “Will this even make a difference?”
 “Would you like another card?”
 “Is that one or two?”
 “Is it going to be like this all night?”
 “You really think that you are in control.”
 “It is pretty much the same thing.”
 “One day, you are going to say why did I give so much of myself to one person.”
 “Tiara, what do you have?”
 “Some lips. A body to give.”
 “What about caring and love?”
 “Will you go to church with me.”
 “Then you can fuck my brains out.”
 “Is this how it works, Kiara?”
 “You never get the feeling part or the feeling right part/”
 “This is so wrong!”
 “Do you have trouble writing in a bar?”
 “Do you like fucking in a bed?”
 “Do you like coming apart in an operation room?”
 “I can’t get that second card.”
 “Tell me what you like about your father.”
 “He broke the law. He was arrested. But he taught us what was right.”
 “How does that work?”

"He taught us how to make our own law."
"Is this going to work here?"
"Nothing like that ever works."
"Why are you so tolerant?"
"You don't work at this. And you think that you can make your own rules."
"This is unbearable."
"These are our customers."
"We will be back another day."
"Love and hate."
"Bingo."
"Oh, Daddy."
"Honey, you can dump any guy when you see fit."
"You can cast off your own shit."
"Where is this going?"
"A bad angel story."
"I am doing what I can to get rid of my bad reputation."
"This is not right for either of us?"
"You were a bad boy."
"I am the entertainer."
"How long is this going to last?"
"All this hurts more than you know."
"This is more obnoxious than you can know."
"This is a revolution from people who are good at saying no. Then they keep saying no to everyone except themselves. And they wonder why people consider themselves creeps."
"No!"
"I cannot stop!"
"Where did you all come from?"
"We are Interdimensionals. We are undercover."
"Is everyone working with the enemy?"
"Is there really such a thing as the National State of Piss?"
"What are you asking me?"
"I messed up badly."
"The resource wars are coming."
"None of it will matter."
"You cannot drink your gold."
"We will melt it."
"Farkey, it is time to get out of here."
"What are you asking me? You are in the middle of the game."
"I only have one card."
"You get so wound up with things that you want to say. Then you have a chance to say them, and you forget them all."
"Someone has to do the dishes."
"They are disposable."

“Someone has to throw away the trash.”
 “It is dispensed with on its own.”
 “You smell important.”
 “I work at it.”
 “Do you sleep on a table or on a bed?”
 “You spend a long time getting the lighting right!”
 “There is no way that those cards could lose.”
 “You do not have time on your side.”
 “I am suffering so much more than you.”
 “Your body has been hit so many times.”
 “Farkey, let us get out of here before you fuck up my chances again.”
 “This is Kiara; there is no chance.”
 “I only need to beat her once. Devastate. Take everything from her that she has taken from me.”
 “Steven, you are obsessed. Let’s get the book.”
 “I cannot deal with another accident like that.”
 “This is going to be professional.”
 “All the equipment is in a car!”
 “You do not have to leave.”
 “I want this to mean something.”
 “We work this in house.”
 “We are back where we started.”
 “I still need another card.”
 “*What are you doing at the house?*”
 “*I am playing the Daddy card!*”
 “*I do not want to interfere.*”
 “*Do you ever win?*”
 “*I always win. I could beat you with two cards.*”
 “***I could beat you with two cards.***”
 “***Try!***”
 “***I can win!***”
 “***What do you have there?***”
 “***I was prepared for poetry. I can say the right word.***”
 “***What word are you going to use now? Felicity? Heaviness.***”
 “***Heavy water.***”
 “***You have it all.***”
 “***Tell me about your mother?***”
 “***She kept me on a short leash.***”
 “***And father?***”
 “***He had a long leash, but he pulled hard.***”
 “***They all pull hard.***”
 “***But we do not have a soft touch?***”
 “***I felt as if your father always had this agenda. He wasn’t saying what he meant. He was out to get something, to prove something. To convert people. That doesn’t give you too***

many cards. You might as well have wild cards. Or blank cards."

"Is she going to make this go on all night?"

"Keep it low."

"Kiara, you are not going to win this one. It is not even close."

"You are on hip sheep."

"Where is this going?"

"Ba!"

"What did Daddy really want."

"He wanted to win before he lost."

"Honey, do not get overheated."

"You are going to be good at repeating the same show."

"You cannot possibly win. You said love. But you only had one love. Everything else was a pathetic beeping in the night."

"BA! BA!"

"Why did they turn men to sheep?"

"They were easy to deal with!"

"Are you looking?"

"She does not have one card. She is compensating for a load of shit. And she really doesn't have it all on board."

"You should have stayed at the bar. She had champagne."

"Be fair to me!"

"I wish that you could dance on the stars. Sometimes, you have to call it like it is."

"Eat the rat."

"That is the worst thing that you ever did in our life."

"This is your show, honey child!"

"Everything flows from your mouth."

"Consistency is everything."

"Next!"

"You didn't have a life before I met you."

"Is this how the book goes."

"Happiness does not work like that!"

"What messed you up?"

"Now the Lord can go."

"This is a God forsaken place."

"The asshole factor went down."

"You are desperate for a guy."

"I am pissing blood."

"Why have we taken so long here, Steven. Do you really have hope?"

"We have belief. We have a mission. We have hope. We have people who care."

"I am so warm."

"I am hot."

"She was drop-dead gorgeous."

"That is how corpses get made."

"The weather is unpleasant."

"It is not the weather. It is the flies. They are obnoxious, and they cause disease."

"Time for another card."

"I have always felt like my own person."

"You have been playing it close to the vest. Now, you are going to go out on your own."

That is not going to work, Kiara."

"I only want to be loved."

"You are loved."

"I really don't care."

"I have all I need."

"You have three cards. They are adequate. You are still in the game. But you are a lot of exaggeration. And you are losing your best supporter. You are fucking up so badly. I cannot help you."

"I have the Interdimensionals."

"Dear, how good is that? How good is any of that?"

"This is going to be a hard sell."

"I have got what I need."

"Farkey, what do you have?"

"I have the key. That is all that I need to have the key.":

"Farkey, you are fucked."

"I manage."

"I know where this comes from."

"You have no respect!"

"Farkey, we need to lay waste to this whole fucking place."

"The children?"

"Get the children out. Then we will destroy it."

"That hardly seems fair."

"Nothing is moving."

"Don't you have anything better to do?"

"This is not appetizing."

"I am not going to have to eat your shit."

"This is the sickest thing that I have ever seen."

"Why do we see so much destruction?"

"We create so much destruction."

"What cards are missing?"

"We do not always play with a full deck."

"This is where she gets everything that she wants."

"You don't want that much. This is going to fuck up your whole game. What are you in it for? To get fucked? To get fucked up? To fuck up someone. You have already been down for all those variations."

"I am messing up!"

"I do not have enough money to play this."

"Play it tough. Play it tight."

"You are so good at playing games, Kiara. But you do not even understand the importance of this game."

"I can be saved."
"How is that going to work?"
"How is it not going to work?"
"I do not have enough to work with."
"You are getting sloppy."
"Kiara, you only have so many angles."
"I am deeper in the deeper."
"I need help."
"I cannot give you what you need."
"We do not want to go to class."
"I want the pizza."
"Don't quit on me in the middle."
"That is all that happens."
"Kiara determines the middle."
"What did you scoop out."
"The delicious gravy."
"The juice."
"The liquid."
"You do not have this."
"We are just at the beginning."
"Kiara has been playing it out. She has words, but she wants to be someone else."
"This is all a joke."
"You never made the moves that you needed."
"We are all stuck."
"I would make a radical move!"
"Play it as it moves."
"This is brilliant"
"Melba, make the other parts work together."
"How do I get in on this?"
"You do not!"
"I need to make a perfect play."
"Get me off!"
"Hardly."
"I am sweating."
"He worked it out."
"The other card."
"Engagement club."
"Is this going to last?"
"I do not want to be part of this."
"You take yourself to seriously."
"Are you clean?"
"None of us are or can be."
"I feel better than yesterday."
"There is so much to do to be free."

"No one gets free."

"Now a good place to stand."

"Two opposing forces coming at each other."

"This better end soon."

"I get a job with the ID's, and I get what I want. I fool everybody into thinking that there is an external enemy. I solve nothing. I kill all the people who I am protecting. But I protect the book."

"This is so full of shit."

"I do not want to wake up."

"It will be so much better in the morning."

"Who am I doing this for?"

"You are always working for yourself."

"You are coming from the other side."

"Are we going to take sides?"

"Go up the hill!"

"What can Daddy do now?"

"He can make some introductions."

"I can find you a place in ID."

"What can ID do?"

"Here comes an ID SWEEP!"

"That felt like an earthquake."

"We cannot let it affect us."

"The whole world is being shaken to the core."

"Save my place."

"What do we know?"

"We are not privileged."

"We are, and no one is."

"Where are you running to?"

"Where are you running to?"

"Like piggies from a gun!"

"Where is your Daddy?"

"Mother made some calls."

"Do you know who you are working for?"

"They are the only one to work for."

"I feel as is I am in a supermarket.":

"I got what I paid for!"

"That was my accident."

"I am warmer than warm."

"I need to ask you one thing."

"This is not business school"

"You better be sure that you are working for this."

"I need a summary."

"You needed to close the deal."

“What is the deal?”
 “I am not even a part of this.”
 “How did the bull shit settle in?”
 “People started asking questions.”
 “Who is interfering?”
 “What do you really want?”
 “I know what you are afraid of.”
 “You could be part of my life.”
 “Did I do that?”
 “We are all doing that?”
 “You are not who I thought that you are.”
 “I am Kiara of ID and I make my own laws.”
 “The Interdimensionals think that they have it all locked up.”
 “We could explain it in simple ways.”
 “I am not responsible.”
 “Let me take my turn!”
 “You can’t always just take what you want.”
 “We have house rules.”
 “The ID is the house.”
 “*How did ID start dictating shit?*”
 “*I do not mind watching from the sidelines.*”
 “*I know how to make myself small.*”
 “*Have you seen the show?*”
 “***Have you seen the show?***”
 “***There are a million people who saw this.***”
 “***You have to work a little better at this.***”
 “***I have my own show.***”
 “***How does that work?***”
 “***The Kiara show.***”
 “***We already have bigger numbers than that.***”
 “***I can have whatever I want.***”
 “***Turn it all off.***”
 “***Tell him that he is not right.***”
 “***That is the wild card.***”
 “***We have the money, we have the banks, we have the dreams of the world.***”
 “***We have the blood, we have the spells, we have the heart.***”
 “***Do I have to listen to this?***”
 “***This used to be your favorite song.***”
 “***You will be okay.***”
 “***I have the accounts.***”
 “***You have shit for brains.***”
 “***I have a wild card.***”
 “***ID think that they can do the fuck they want.***”
 “***Bad things did happen to you.***”

"What are you talking about?"
"All the lies are coming back."
"You need to step up!"
"She is leaving without me."
"What about your protector?"
"They got him he was on a revenge kick."
"He vanished on his own."
"They crushed him!:"
"I was supposed to save him."
"Did you?"
"I didn't know what to do."
"Wake me up!"
"I can't wake up."
"You can't do this."
"This is not going to happen."
"I feel for you."
"That is not enough."
"How did you end up here?"
"I got caught by an ID convoy. They cut me down to size."
"I need the background story."
"This is what I need."
"The ID's will preserve me."
"They are going to fuck me."
"You can't be cured."
"Kiara, what do you get for this."
"I was staring."
"What did you see?"
"The mirror cracked."
"This is so fucked."
"What do you want from me?"
"How do I get in this game?"
"You need to give more of yourself."
"I gave all of myself."
"For a few dollars more."
"There are no miracles."
"That is all that you believe."
"How did you get in here."
"You make me feel so good!"
"There s no way that you are going to be able to give me what I need."
"Just give me what I need."
"This is not good for any of us!"
"Don't leave me now!"
"WE ARE HEADING THROUGH THE DREAM BARRIER!:"

“What does that mean?”

“Not what you think that it means.”

“It means a pile of nothing. You can forget anything that might have meant much of anything.”

“Trips.”

“What do they care about?”

“You get into something so much that you don't get much of anything.”

“This is so bad.”

“Two tracks leading into one.”

“A switching nightmare.”

“How is he barrier going to get us through much of anything?”

“All that much is going to become much of nothing.”

“I am not impressed.”

“I need to see a head doctor.”

“I don't remember what happened.”

“It is coming upon me again.”

“She has a book with all the dreams in it.”

“Which are mine?”

“The castle, and the motel.”

“Who made this up?”

“I saw all the faces reflecting off the window.”

“Was he in the car?”

“Not the first car.”

“Everything is dark.”

“What are you thinking about.”

“I cannot explain it.”

“You can't sleep here.”

“You need to see the employment forms.”

“I didn't leave of my own volition.”

“I can't even sit up.”

“She is face to face with me!”

“Someone is going to throw you off!”

“Here you can get everything that you want.”

“On the way to the temple of Nera.”

“I am already at home.”

“Tell me about the temple!”

“She accepts things that would alienate other people.”

“I cannot stand the taste.”

“Nera, why do you like this. What is wrong with you?”

“Do you want to do some research what is wrong?”

“You are going to have to figure this out on your own.”

“How do I do that?”

“I don't have the wedding garment.”

“You are teaching this class.”
“I do not have all the books, which I need.”
“I have everything that I need.”
“I wanted this to work.”
“I am watching from the top floor.”
“You got fired from that job.”
“Who put that shit in my bed?”
“This slug was in there. I killed the damn thing.”
“It exploded all over me.”
“You are doing this to yourself.”
“How do I stop?”
“You need to stop worrying!”
“We will never stop.”
“The eternal machine.”
“How does this barrier work?”
“You forget what is really bothering. You leave it all behind.”
“I have plans to make the machine go.”
“What are these machines about?”
“It really makes no difference!”
“You have one thing to figure out.”
“Pout! Pout! You cannot even do that!”
“You brought me out of madness.”
“You have to ask why this.”
“Why this?”
“How did Farkey get into my life?”
“Farkey, what do you want from me?”
“Where did baby go?”
“Kiara, give me everything that I want.”
“This is getting so much worse.”
“I do not want to look at any of this!”
“Are you laughing at me?”
“What is so funny?”
“I got my uniform on. Where is the team?”
“They are at the other arena.”
“I can never make it in time.”
“Move off.”
“Do you know me?”
“I am going to give this my all!”
“What is the balance?”
“You are not part of this!”
“What about the firm?”
“They make and they break.”
“What do they make?”

"Turkey sandwiches."
 "I am not going to eat that stuff. It is all contaminated. The corporation is corrupt.
 All the accounts are on another planet."
 "I want to do your laundry."
 "I forgot to do a towel."
 "Swim towel."
 "They are destroying my world, and you are trying to work with symbols."
 "Is as it is!"
 "I am mortified!"
 "What the hell is he doing?"
 "Wake him up."
 "Will not move."
 "Itemize the parts, and move on!"
 "Cucumber sandwiches."
 "Tea!"
 "This is so far beyond me."
 "I cannot make sense."
 "You were not allowed in the main house."
 "I just need a room. I need a towel. I need a pillow!"
 "I need a pillow."
 "This is so restful."
"I want to think about good things."
 "Shut up, fuckhead!"
"You never give me a chance."
 "I am not your fuckin' gardener!"
 "Give me a caramel sundae!"
 "Oh, baby, don't give it up!"
 "That is just what I needed!"
 "Sometimes you gotta shit where you gotta shit."
 "This is a long way home."
 "Where is Farkey?"
 "On the long road."
 "I took the short road, but it took forever!"
 "This is not good."
 "The rain is not going to stop!"
 "This is amazing."
 "I need to sleep it off."
 "I am not remembering enough of this stuff."
 "Eat the peanut butter, mother fucker!"
 "Be nice!"
 "Indeed."
 "I need some pastry, Ophelia."
 "You need to make yourself happy!"

"I want some strudel."
"I am lost in the in-between zone!"
"We are here for you!"
"Are these coupons for doughnuts?"
"I met aliens!"
"You need to leave."
"Do you know where the kid is?"
"Kiara, where is the kid?"
"The tragic question."
"They will take away what you love!"
"What kind of country is this?"
"One which believes in justice!"
"I know what was keeping it down."
"You need to ask."
"Wishes!"
"I can eat the wishes."
"That is what my grandmother says."
"She brings angel food cake."
"What do the angels say?"
"Get the whipped cream!"
"I am chickening out!"
"Canned chicken!"
"This could be my life."
"Don't worry! It ain't!"
"I am crazy enough."
"There is a plan!"
"Five year."
"I cannot even count that far."
"What do you really want to know?"
"I do things because people have been doing thing to em."
"This is not going to be fair."
"Where do I fit in?"
"Get in the box."
"I hate the coffin implications."
"We are faking it."
"I am going to cry."
"Then the rat popped out."
"I've got some new for you."
"I can get close to you."
"You have so fucke up my life."
"This is the loneliness book!"
"Do not abandon me!"
"How do both sides work?"

“I was meant to be this way.”
“You are so wanted.”
“Kiara, what does it feel like to be so wanted.”
“You are mocking me.”
“You mock yourself by your way of living.”
“Why are you so mean?”
“Why are you so mean? Why is the world so mean?”
“Why do you want me to care?”
“You crave what I have.”
“Everything that you have will go up in smoke.”
“What will help us to remember?”
“You came back.”
“I didn’t think that I would come to this.”
“Kiss me stupid!”
“How do you do that?”
“You are too close.”
“Everyone is working against me!”
“I have one question to ask.”
“Couldn’t be more perfect.”
“Moist light could expand into real shit!”
“It is growing inside of me!”
“I really cleaned up.”
“I can share.”
“Sharing? I want ownership.”
“Can you own an idea?”
“I can only offers so much of myself.”
“There is a law.”
“I need it.”
“You don’t know how people get it together!”
“Why would I give so much for this?”
“The apple pie.”
“Rush it!”
“Where is the apple pie?”
“The apple is tough!”
“Where is this going?”
“No one else is here!”
“I need a nap.”
“Give me another piece of pie.”
“You need to go into this building.”
“It is abandoned. And it smells like piss.”
“He is waiting for you.”
“What does he want to tell you?”
“What is the next chapter?”

“Something glows in the dark.”
“How do you manage?”
“I don’t want to look any different.”
“I am going to make it back.”
“We have preservatives.”
“What does not kill you, preserves you forever!”
“I want to get inside.”
“What do you all share?”
“A belief.”
“They prepare a big feast.”
“That says nothing to these people.”
“I have to wait so long to come back.”
“Story over!”
“Give me hope!”
“Tilt!”
“I can’t make it through the training program.”
“You do not want to do silly things on the way!”
“I can’t get around these biographies.”
“Turn to invoices.”
“I am forgetting all of this.”
“Back to Nera!”
“Pose for me.”
“There is no pose.”
“Run! Run! Run!”
“Where the fuck am I?”
“In the dentist’s office.”
“What time is it?”
“Then she kissed me.”
“Get the groceries!”
“No one wants to know!”
“This has been going on for too damn long.”
“I cannot do this on my own.”
“Farkey will come back. He is losing it to some bad dick shit.”
“It’s all about the shit.”
“I can’t do this anymore.”
“You are going to get caught in the dream barrier. And you are going to get stripped of everything that means anything to you.”
“Ask me!”
“I want to know.”
“Melba needs to know.”
“Melba does what she wants to do.”
“Does anyone really do anything that they want to do.”
“John Hancock here!”

“I am not that kind of cock.”
“You are the only one who wants to know.”
“Hancock has his own shit.”
“You are on your own.”
“You are way to late to make a difference.”
“Please ask me!”
“I do not want to miss a training day.”
“I am so fucked up. This is all practice for something else.”
“I do not know him.”
“Deny him.”
“He does not work here.”
“Be quick!”
“That really hurts.”
“First things first.”
“Take out steak.”
“Instant love.”
“I have what I need.”
“I need to do some detective work.”
“What do I feel so empty around you?”
“Kiara, you make me feel so empty.”
“Everything has a cause.”
“There is an emotion that will not quit.”
“If I do not get what I want, I get really pissed.”
“I was so much better.”
“Take it slow!”
“I am one-on-one.”
“What is this about?”
“Do you want them all to love you?”
“There is no content.”
“What about the family?”
“You are not going to stuff it in the time which is left.”
“What is left?”
“I do things with the body.”
“Your body or the body of others.”
“I can improve the body.”
“I need to get you a message.”
“Are you happy now?”
“You have made it.”
“I have no more parts.”
“I need another part.”
“Side of this.”
“Slide of this.”
“I want it all.”

“Propose for me!”
“I know a bad word.”
“Bad shit. I like it as it is!”
“I am so far beyond this!”
“They need to ask me to leave.”
“Where am I?”
“By a department store.”
“A super mart.”
“Why do some people like to hurt.”
“Make your move.”
“What did you bring to the show?”
“Everything that I have . Everything that I am. I am Steven Fisher.”
“Do you have a pole?”
“Why are you going to make the move?”
“There are only so many moves left.”
“I am teasing.”
“I cannot let you do that to me again.”
“And you go back to plug it in.”
“You have no respect.”
“There is not halfway. You are the show. You do not do the show.”
“There are screens.”
“That was my head.”
“And this is some kind of enjoyment.”
“I am going back to the shit!”
“Are you that happy hoping for what you cannot have?”
“Magda will give me everything that I need.”
“You get promises from people who willing to promise is all to everyone.”
“Why are you staring at me.”
“I can do your story.”
“I am out the door.”
“What kind of reward do I need?”
“Let me join in.”
“Too hard for you to figure out!”
“Ask me.”
“You want to a break.”
“We are going to need to go out.”
“I have a trade.”
“What do you do?”
“We do not need more cheerleaders.”
“You cannot sleep on this.”
“Do you take care of this?”
“I am coming apart on this.”
“This is so disgusting.”

"This could be you."
 "I was sure that I had gotten away from this."
 "Just a second."
 "This is the last play."
 "All you have. I can offer you everything that you could ever want."
 "What could that be?"
 "This is a good question."
 "I am much better at this."
 "I do not want to go cold."
 "There is the Sunday game."
 "Not enough for me."
 "Do we give you inspiration?"
 "Who are we?"
 "This sounds like my bank in action."
 "Everyone wants a little bit of the spice."
 "I can strip away the layers."
 "Where is this going?"
 "To touch, but not to taste."
 "Steven, it is all getting done more quickly."
 "I have dibs on that."
 "Steven, you are not going at bringing anything to a resolution."
 "Come in the building with me."
 "What happens when you make it in the last door?"
 "You are locked in here for good."
 "I do not thinking about it like that."
 "Give me a happy word."
 "Everyone's got something. What did you get?"
 "A little taste."
 "Outside myself."
 "I am waiting through all of this."
 "Can I play knock knock?"
 "Time to leave."
 "Time really to leave."
 "Who could know?"
 "Who would know?"
 "You are getting ready for Nera."
 "The ID is surrounding you."
 "I need to move more quickly. They will not catch up to me."
 "The ID is all about shit!"

"What is the dream barrier? It is flesh that I cannot touch. It's food that I cannot eat. It is no resolution. Demie, help me I want to get out of this place I want to get into this place why am I spinning around where is my head spinning who's behind this who is this government who is the regulations where is this all going my body aches I have pain's that are not mine I desire that

We are going to invite other people to join in. They're going to enjoy it better than we enjoy it. You're going to give too much of yourself to this. I don't know how this happened. You were supposed to be standing in the way. Instead you standing along the way. You are the participation you were the show how did Mira turn into this thing but so shocks me what do you want on your body what do you want to be why do you want all the icing for yourself why are you rubbing this all over you where is this going why are you such edible miss miss miss miss miss Christmas where is the tear in the current how can we see in to the other side? Why do we want to see you to either side? Is there another side to see? We've been talking about inside and outside. We've been talking about main course side dish. We've been talking about appetizers and synthesizers we've been talking about things that come in and things that go out things that stand things they won't let you be if that was what you want do you want me to shock you so much do you want me to shock you with your life wise your life so shocking I just want to sleep all these forms forms I have to fill out just so I can sleep are you going to sleep in this bed? Where is this go back to? Were you giving up? Are you sleeping with? What is sweet marks? Why did someone do this to you? Where they keep doing it to you? I need to go slower? I don't understand the answers? I am I need someone else to do this for me. I could pay the money, someone else can do this for me good things to get done have to do? Why am I always questioning myself? Why am I not sure of who I am? If I eat different things, when I understand what I am really about? Where the police everywhere? Where they want to question me about? What did I do wrong? Why not eat my vegetables? Why do I like broccoli so much? Who is going to eat off my plate? Who is going to drip ice cream all over me? Who is going to give me what I really need? Or do I really? All I want is a place to be warm? Why there so many questions without answers? Why do some people tries to our? Why did they not see what it's all about? This is even worth going into? We need to get over the animal barrier. I need to understand the meaning created. You need to understand billions and billions of systems. One system to Scripps all the others. And that system makes it impossible to have any other system. Except for the stupid chaotic system. Cross it with the dream. It's all carbon-based molecules it's

all about fuck. It's all about fucking. And I was never explain to you. What is two parts come together. Make nothing happened. Tiara why do you think you have a trick? Everything fucked up for you. And you're pretending telling Franklin that everything's OK you were going to be tortured for what you know. And you would not be able to tell your story and you will live so far from you are what you are you'll crawl on the bottom of the ocean. People look at you. And say there he goes. Very goes. Barry goes. There he goes. Their egos. Their egos. There he goes. He once was a man and now he's a munchkin bunch of crunch what happened to me why am I using with these ideas."

"I want you to mean something for me otherwise I would be a total fuck up and everything that I would've done would've been a fuck up so if you can just mean something for me that would be everything Stella what do you want do you just want something someone to mean something for you we can all pretend Stella Stella were pretending we're gonna pretend forever and then he'll say to you I don't know the fuck who you are get out of my life I'm going to fucking imposter all this time Dick a mess and lick a mess with licking my dickie I would pop Nero and she said it's tricky."

"One. Sure nothing in common."

"Two. I don't even know why am on this planet."

"Three. My body causes me to do things that seem contradictory to what I want for myself."

"Three. Other people try to make me do things that are contradictory to what I want for myself."

"Four. Even if I know what, when I want for myself, I cannot convince other people to go along with my wishes."

"Six. Other people always expect me to go on with their wishes."

"Seven. Do you know if they know who they are?"

"Eight. Do they know what they're doing?"

"Nine. Is the real mess?"

"Ten. I need to wake up."

"Eleven. The aliens need to rescue me."

"Twelve. I want to be fed

"Thirteen. I want to be touched."

"Fourteen. Why are you touching me that way?"

"Sixteen. That feels so good."

"Sixteen. You feel so good."

"Seventeen.. What are we share in common?"

"Eighteen. What are those shoes mean?"

"Nineteen. What does that skirt mean?"

"Twenty. What have I signed on for? "

"Twenty-one.. What are you doing these things to me?"

"You want people to respond. What does that mean. You're giving so much of yourself to get something that's not going to help you get anywhere. I win this game. I win this match. I would this set. I win the championship. I have a coach. He's watching over me. He tells me what to do. He says lift my arm hire. He says spread my love wider. He says give it to those who really

need it. And I'm giving it. And I still don't understand. After all this time always something better not happening? After all this time wisen something better happening? After all this time wasn't something better happening? After all this time wise and something better happening? After all this time wasn't something better happening? wa Stella, when you get a good, does that make it good for you? Of course it doesn't. Never will. None of this is going to make it any better for you. He will always try to escape from yourself, but yourself will come back. Yourself is coming back. Here are the rats in the chickens. There is everything we are afraid of. We discover we are the ones or messing with our lives. It feels good that I can forget all this. My back pain is not affected me. My head pain is not affected me. My body pain is not affecting me. Nothing is affecting I feel so good I don't want to leave my bed. It's so warm in here. Skip your motive existence. How can I feed myself year. This is past and present coming together this is Chris and future coming together. How can I escape the rain? How can I get myself clean? Jack a lickle tickle fickle."

"Who makes your best victims?"

"People who will not shut up. They love to create a story in their mind. I let them go on. They create their own trap."

"There are questions about escape velocity."

"You cannot escape what you are part of."

"You need to reveal yourself."

"What do I know that no one else knows?"

"Persephone, how did you make it make it back?"

"This was a terrible show."

"Nera escaped, and the enemy continue to do what they want."

"Steven, we needed to establish our priorities."

"We need to live for the now!"

"You are so simple."

"I will get taken there."

"I thought that she was a gift."

"Who sees that as gift?"

"Persephone, these people are so bad for me?"

"You should be asking Ophelia for cookies."

"What do you call someone who takes all the Oreos?"

"That is someone who is called a taker!"

"Persephone, they all give too much of themselves for nothing. You need to understand this balance."

"They can never learn."

"What can you do about it?"

"I want to go back to class."

"This has not ended since I arrived."

"Do I have to watch this?"

"Steven, she is already infected."

"What does that mean?"

"She is a junior Nera. She has not done anything, but she is already captivated by that ideology. Everything about her is already inside. She needs that constant gratification. It is a

weakness. She is not going to be able to do any of the equations."

"What about it?"

"We are going to face a more intense enemy."

"What does that mean?"

"The Interdimensionals have been fortified by or delay."

"This is going nowhere."

"This is all scaring me."

"Persephone, I need a consultation."

"Do you want to destroy me."

"What are you asking me?"

"Steven, you imply that I have motives, which I do not have. I am a child. And you are given yourself license to enter my story."

"Is that what Nera reveals after regression?"

"Before Farley, there was a dick more formidable."

"Can I see what I want to see?"

"What are the parts?"

"What is the language?"

"Do we get a turn?"

"You replace everything that was there."

"We arrive at another point of view."

"This is one on one."

"I only want to look?"

"This is my turn!"

"We are going to have to battle all the Interdimensionals."

"Do you know how that works? They get in your fucking head. They reveal things about themselves."

"You lost your chance."

"I got broken by this."

"Steven, we need to stuff more straw into the self."

"I feel like the straw men."

"I want to have good ideas."

"How does that work?"

"I took a punch."

"You were going to kill that guy."

"I walked away. I had no stake."

"What about Kiara and her forces."

"Kiara tries to do and say things. But she really has not basis in fact."

"What difference does fact make?"

"You can be solid."

"The confrontation is coming."

"What is the basis for the opposition?"

"She is fighting to control time for all time."

"I am the joke writer."

"Does Kiara have a sense of humor?"

“She is pretending. She is trying to bring up old shit.”
“I am so far beyond this.”
“I am not inside.”
“These crazies break up our barbecue.”
“The United States of Kiss My Ass!”
“That is a mouthful!”
“Do you want me to be symbolic?”
“How does that work?”
“This is a symbol of freedom.”
“I have all this shit.”
“What are you holding on to?”
“Between Nera and Kiara, what is there?”
“Only belief!”
“You cannot watch your own life.”
“I am not a participant.”
“I like to watch.”
“I am so fucked up.”
“I am going to raise up from the dead.”
“This is going nowhere.”
“We got through the battle scene.”
“There is another one coming. The big one.”
“What are we protecting.”
“You cannot give me what I need.”
“Where is Lexa?”
“Lexa is all about guilt!”
“What does that mean?”
“She cannot do things freely.”
“There is no free. You always exchange your shit for more shit.”
“Persephone, what is this all about?”
“I have all this shit on my phone.”
“I see things that I like.”
“I can affect it.”
“What is this really about?”
“For love of money!”
“I am not sympathetic.”
“I only have a few days.”
“Days will not help.”
“How does that work?”
“You eventually get free to enjoy yourself.”
“I need an analgesic.”
“That is the only story. You enjoy the shit that it happening to you.”
“It is coming from inside me.”
“I am saving all the bad stuff to another day.”

"This is way too close to me."
"I have my groceries."
"Lia was in and out."
"This is too difficult for me."
"You are ruining my look. I do not want to sweat."
"You just came from gym class."
"I came from history. I need to make some history."
"How do you go from personal history to history about a person?"
"Am I really part of this story?"
"I really did make a mistake."
"Close eyes on what is happening!"
"I live for this."
"Persephone, this is entertainment for you. We suffer. You are watching. "
"I brought you what you needed."
"I cannot give that much of myself."
"We are in a swamp. What can you advise?"
"This is what I get, and this is what I give away!"
"These are weightless conditions."
"We do not seem to care about anything."
"Now, you are connecting with the connection."
"I have lost Farley"
"Farley cannot be helped."
"He is enjoying the delights of Nera."
"He is a useless cock."
"How will you ever manage without any help?"
"I do not like this balance."
"I love this!"
"How did I ever get back here?"
"We are back at the origin."
"This tastes so good!"
"Nothing is ever good."
"I do it all."
"I gave the imprint."
"I am not playing."
"You all play tag!"
"This is never going to end."
"You cannot replace the feeling!"
"How did I miss this?"
"The shirt."
"Love me for what I am!"
"I am ravaged."
"The Interdimensionals are going to really fuck with me!"
"Persephone, I need some help."

"Steven, you are trying to entrap me in this story. I am not part of this at all."

"This is bad competition."

"I am falling away from the belief."

"This is going to really destroy me!"

"Steven, where is the book buried."

"I never got the book. I am convinced that there is no book. How could she ever do it right?"

"What does that mean?"

"Persephone, I need you to put together the Nera book for whatever that is worth."

"What would be in the book?"

"So many lies."

"I am going to give you the right book."

"I am falling off the side of the world."

"She makes the move."

"I will not make the day."

"What do you need?"

"You are making more of this than needs to be made."

"You are going down the same road."

"Steven, what am I supposed to say to you. Do you want to talk about a ham sandwich."

"It cannot be helped."

"Persephone, that is more magical than a ham sandwich."

"We were back at the mystical chicken sandwich."

"Some things should not be eaten."

"Persephone, what do you know that no one else knows!"

"I know about eternal love."

"I know about unconditional love."

"This is getting so shitty."

"I am too deep into this."

"This will never end!"

"Persephone, what do you need to know."

"Come with me!"

"I do not want to do this anymore."

"I took a ride from this guy. It revealed the shit of my life. He took me to some place that was dark all the time."

"Now, you have it."

"You got as close as shit to him."

"I can help her to escape."

"You do not have that skill."

"This is not going anywhere."

"Sit down, and shut up!"

"What did you say?"

"You know what I said."

"I am a goddess. No one says that to me."

"We are not going to have a quiz."

"I am out of here."

"What do you not like what I give you."

"It really takes me nowhere."

"What has made you this way?"

"Chemicals. Different kinds of neurotransmitters."

"I am getting out of myself."

"Persephone, you cannot go this way."

"I have gone so far this way."

"Am I going to have to succumb?"

"Farley, where the fuck were you?"

"First, the Interdimensionals got me. They asked me all these freaky questions.

Then Nera rescued me. And she acted as if I was her pet. I am not made to be like this."

"What do you realize now?"

"I understand things about the Interdimensionals' positions."

"We can destroy all of them."

"Everyone can be used one way or another."

"We are waiting for another day!"

"This is not worth it."

"I apologize."

"This hurt me more than it was supposed to!"

"There are so many things working against me."

"Where are we staying?"

"I had time, and I did it."

"I cannot do better than that."

"Stuff. Free associate."

"I cannot do that."

"There is time beyond time."

"Who is keeping time?"

"This is not a trick question."

"My life is a trick question."

"I can hardly care about any of this."

"This is going to be tough."

"We need to recruit Persephone. She knows some shit."

"She is too young."

"Bring her with us. We can use all the eyes and ears that we can get."

"I am getting so impatient."

"No one can stop this."

"We are really in the shit whole."

"I cannot spend all my life like this."

"I am not a participant."

"What do you want?"

"Where is Persephone?"

"She got in some car."

"The ID have her."

"She needs to do breathing exercises. They do not have her. They are just in her head."

"What does that mean?"

"She is impressionable. They can really work her fears."

"They want her to be another Kiara. She will just obey."

"You want another Kiara so that you can be victorious."

"Everyone does!"

"She needs to train."

"Everyone needs to train."

"She needs to run quickly."

"I only need to get rid of something that is inside of me."

"What is that about?"

"There are only a few ways to escape."

"We are going to bounce out of here."

"You came way to close to the self."

"You can slice it."

"This is more fun than high school."

"Persephone, I am so sorry that it went this way."

"You like how it is."

"No one can help."

"You redo your life. It starts with shit. And you stay in the shit. Then you embrace the Moloch."

"How does that go?"

"We accept what we do not accept."

"It could be pleasure all the time."

"What is pleasure?"

"Total letting go. Letting things happen to you."

"All of that is planned."

"I did not get enough of enough."

"He is back."

"That guy with the car."

"You needed to train. He is going to catch you."

"I have some tricks up my sleeve."

"I wish that you could give me that smirk."

"That is all that Persephone needs to survive."

"You gave this madman an audience."

"This will never end."

"I hit it again."

"You have a million chances to get a cookie."

"I will take them all."

"What is in the bag?"

"Oreos from home."

"I was going to tell you some shit."

“You are a creep. I do not want your creepy shit.”
 “Why are you so elemental with me.”
 “This is who you are!”
 “Be fair!”
 “What if he said do not do it?”
 “Who are you afraid of?”
 “I am afraid of the game.”
 “We need to fight against this.”
 “There are laws.”
 “The ID make their own laws.”
 “There are simple rules.”
 “No one wins.”
 “I want to be protected.”
 “There is no comfort here.”
 “Who is running this place?”
 “There is a hierarchy.”
 “Leave us alone. We could have given you so much more.”
 “We want fries.”
 “I want chicken.”
 “Persephone, how are you different?”
 “I want a salad.”
 “I am a salad.”
 “I cannot be helped.”
 “Come in the dark with me.”
 “This is hurting me.”
 “Persephone, you have a dark side.”
 “That is another side.”
 “I am so beyond myself.”
 “I wanted to be good at this.”
 “What do we share?”
 “I want to join in.”
 “We are coming near the end.”
 “Kiara is in my head.”
 “You are at her house with Franklin and the whole set of ragamuffins.”
 “Where does this end?”
 “Nera will not allow this to happen.”
 “*Kiara is a prisoner in her own way.*”
 “*She is not a prisoner at all. She is running the camp.*”
 “*She wants everyone to be free.*”
 “*She will not take the necessary freedom for herself.*”
 “I got the words. What did you get?”
 “This boring fucking body. You really fucked up? Where do you go from here?”
 “I can outwrite you.”

“Who are you—Nera?”

“What are you going to say? I fuck. I have a son. I want to write a book. It is too late. You are a collaborator. It will all become obvious.”

“There is another room.”

“Marcus or Julius.”

“The Empress Nera.”

“Lie back on the bed, and I will give you what you need.”

“You are going to need a baseball bat on this crew.”

“She has guards.”

“When will she get free?”

“She is the symbol of oppression.”

“How can you say that?”

“What do you think that she was doing in the camp?”

“She was being trained. She was being used.”

“She is the user.”

“That is so cruel!”

“What is the part?”

“I do not like how this is progressing.”

“This is only going to hurt you.”

“What is really wrong?”

“Are they all working together?”

“This is all going to explode in my hands.”

“I can fix all this.”

“Kiara was not meant to fix any of this.”

“This exploded in my hands.”

“You are good for nothing.”

“There is a little hole here.”

“Take a peek.”

“No one can see what is going on here.”

“I feel nauseous.”

“The ID are coming back.”

“What does Kiara want?”

“She cannot understand a universe without her own consciousness as the center.”

“Someone is going to do a number on her!”

“There is a simple way out of here.”

“That is coming out all over you.”

“This is so wrong!”

“They screwed up so many times.”

Who is this going to be?

“Your savior is a potato CHIP!”

“All praise him.”

“This is the ultimate in pagan bull shit.”

“Just shoot me now.”

“We win! We win! We win!”
 “No, one ever wins.”
 “Why did you give up?”
 “I do not want to destroy myself and others.”
 “This is hardly the resolution.”
 “Fuck-a-Deemia!”
 “We take what we see.”
 “I am having a hard time remembering.”
 “Do you want to see the inside of a jail cell?”
 “Where is that coming from?”
 “What else do I have to look forward to?”
 “A constant victory.”
“The only reason that you call me this is to destroy me.”
“Persephone!”
“I know what that means. I am not a hellion.”
“You tell me.”
“No! You have already figured it out, and it is a hell for me.”
“No one is taking care.”
“Everyone is a mess.”
“There is place to hide all this.”
“What is your secret, dear?”
“There is a cat.”
“Ate a rat!”
“Good luck!”
“We come after!”
“No one else will interfere.”
“Let me go hide somewhere.”
“I want to own this.”
“There are shares.”
“We share emotions.”
“We share rooms.”
“We share disgust.”
“You have no idea what we really share.”
“There is no time to finish any of this.”
“This is not court.”
“I am going to sue.”
“Persephone needs someone to take care of her representation.”
“This does not work for much of anything.”
“There is no way that I want to look at this.”
“Get it off me.”
“I do not need representation. I do not even need presentation. That gives credit to something that I will never need.”
“This is what you will become.”
“Then talk to my becoming.”

"This is way ahead of me."
"There are so many things on top of me."
"I know where this came from."
"There are new formulas."
"I need help somewhere."
"Where is Nera?"
"I have the book, Steven. Let us find some way to get out of here."
"I need to figure out some things."
"There are always things standing in the way of your resolution."
"What is the scale?"
"I was thinking that it was tears."
"I cannot even cry."
"Let us move on."
"There is so much that I need to do."
"Why are you getting in the way?"
"We could do more."
"It is difficult to get our influence to play out right."
"I am going around in circles."
"We felt that we had escaped our enemy. But there he was right in our face."
"Do we have enemies?"
"The enemies are our enemies whether we realize it or not."
 not enough words to give." Then I realized that there were
 not enough words to give."
"Help me, Suzi."
"She is not around."
"There is no Suzi!"
"You can all leave now."
"Have you see this stuff?"
"What are you talking about?"
"This is the freakiest shit."
"Where is this going?"
"What are the refreshments."
"Doughnuts and Kool-Aid."
"That is not going to do it for me."
"This is all happening too close to my head."
"You are responsible for anything that is happening to you."
 I feel the power of the universe flow through me! All these guys lose their vitality. Just do it
 over, and over again and that's the way to feed them
"What about Kiara?"
"What is her method? How does she fight against her enemies?"
"She has her own ridiculous method. She gets people frustrated battling with each other.
 Who will kill the other."
"I don't work that way. I just make them do it themselves. They want it so much, and

they'll do anything to get it."

"Try as I may I will not know. I want to love. It's everywhere. I need to know the inside."

"I threw my wife my nausea waterworks."

"Steven, you want me to be separate from this kind of madness, but I live in the middle of this all the time. I cannot give you what you want."

"What is in this something to fuck you up really bad temporarily or permanently when you like to know?"

"Sonia rescue me."

"Not Kiara?"

"I discovered a new culture."

"She destroyed that part of me which could love her?"

"Why are you like this?"

I am exactly how I want to be."

"I need to sleep."

"You are asleep."

"How can that be? I do not feel logical."

"You look like a logic."

"This is too much work. Trying to convince you that any of this is real.

"We are playing paper dollars. What should I take off? What should I wear?"

"This is one of the worst attacks I've ever had. What I think is going on? Is the limitation of a virus? I cannot be sure about this infection, but I do believe this is a major consideration."

"I got dick trucks. I got sleezoid."

"This is part of my party."

"Persephone, can you do tricks with light and darkness."

"Let me out of here."

"You are going to destroy my life. You are going to give me visions which I will never be able to escape. I will never have a life for myself. I will always be running away from something terrible that happened to me. I do not want my life to be haunted like that."

"Why do you want to blame me for this?"

"Steven, I cannot be what you want me to be. Why are you bothering me. Why are you dirtying my mind. I cannot take this smell. I cannot live with myself. I cannot be myself with you on top of me."

"How is that?"

"You ideas. You influences. This is not part of me. I had something pure. And you have deformed it."

"What are you going to add?"

"What do you want to know?"

"I forgot about you."

"Where is this going?"

"It is going where it started."

"I do not take rides with strangers."

"You got what you always wanted."

"We are going to stay here forever."

"Where does this story begin."

"Someone fell down."

"I was flailing. I could not right myself."

"Make sure that you do not fall in the hole."

"This is so horrendous."

"And you are putting up with this shit."

"He is Steven Fisher."

"What is a Fisher?"

"Don't let this end like this!"

"Do you have tricks?"

"Dick tricks!"

"This is a little too mature for me."

"What do you want to know?"

"What parts can you bring to the table."

"This is all beyond me. Everything that I cherished has been damaged."

"Steven, you remain with the Persephone story, and you are never going to be able to beat back the ID."

"The Interdimensionals will wait. I need to figure out Nera."

"Steven, I am nothing like Nera. I do not believe in humiliation."

"Humiliation results from being unable to challenge negative experiences in your past."

"I am everything to everyon."

"That is Marn."

"That is Daphne."

"This is what happens when you say she is mine."

"She is mine."

"Everyone else wants it. I want all their everything else."

"That feels so good."

"I am going to sue the king."

"Get us out of here!"

"There is no way to escape!"

"Steven, you fucked me up so bad."

"Do I look bad? Do I look like a bad person?"

"You took advantage of my naivete."

"There are not enough parts to hold us together."

What are these shadings in the presentation?"

"They make me look wonderful."

"You have a wonderful smile."

"Is this how I am supposed to live."

"This is not over. It is just beginning."

"I want to say something."

"I am looking at the cards."

"I am concentrating on the picture."

“For that one brief moment, I knew!”
 “Did I do that?”
 “I want this now to be a forever.”
 “This is the explosion of the self.”
“Persephone, how did you become the distraction.”
“I am the interaction.”
“You have no idea what is happening.”:
“You can figure it out now. Ask now!”
“I lost my in.”
“Read her book. It tells all.”
“That looks says it all.”
“Steven, we had the ID pushed back. Now, they are catching up.”
“I cannot worry about that now.”
“What about Kiara?”
“She is no longer part of my life.”
“You are trying to turn Persephone into another Kiara.”
“There are no more stories. Only the present. Concrete and immediate.”
“And I am next.”
“Think back in your past.”
“I am so much part of my past.”
“This is nothing.”
“Take off points.”
“I was doing so well. Then we went face to face.”
“How do we balance this?”
“This is important for me.”
“Load me up.”
“Put on another show!”
“I am not rehearsed.”
“Are we on the same page?”
“I messed up that page.”
“Thanks for waking me up.”
“The ID are getting close.”
“Steven, you delayed with the bull shit. What does Nera’s book tell us?”
“Don’t’ fuck up!”
“We are so fucked up.”
“I need to stay awake.”
“Where are the sheep?”
“In the field.”
“I will finish this.”
“I was not on top of this.”
“Get on top!”
“How am I supposed to do that?”
“This is taking forever!”

"This is the crossroads."
"They..."
"There has been some interruption."
"What made you this way?"
"Everyone wanted me, but they all wanted to destroy me."
"You are only destroying yourself."
"I always wanted to be like this."
"You are going to have to pay me the pennies."
"This does not transfer."
"Do not come back to me."
"I am not being fair."
"The ID are close."
"Steven, it is only me and you. It is all about the dick."
"I did not want to go down that way."
"We live that way."
"Get on the bus."
"Hold my hand."
"Do you like me."
"This is fucked."
"Nera, you are everything to me"
"I locked myself in."
"Why have our bodies made us this way?"
"We are getting new ones."
"I fade into you."
"That is not good enough for me."
"What do you want me to say?"
"Tell me how you like it. Where do you like it?"
"You are not going to come for a visit."
"There is something different going on there."
"Really do you love yourself?"
"I did not know that this place existed."
"This is my temple. You need to praise me."
"How do I do that?"
"Biology give you a method."
"We are coming together."
"You are making your own rules."
"This is how I take care of you."
"What are you looking for?"
"A way out."
"You have to praise me."
"I need to catch my breath."
"Look me in the eyes."
"Where does this come from?"

“Total belief.”
“This is eating me up.”
“Is it crowded?”
“This took longer than I expected.”
“How do you hold it together?”
“I get touched, but I do not touched.”
“That seems so wrong.”
“There are winners and losers.”
“There are values that persist.”
“There is another room.”
“It never stops there. Do you want to go in with me, Nera?”
“I am in there with you.”
“Are you going to sacrifice me?”
“What do you want? What is fair?”
“Fair is completing the assignment in a reasonable time.”
“You give me what you have. Is that ever enough?”
“I will never get out of there.”
“Steven, we have been made into some kind of bizarre prisoner.”
“We an walk away.”
“We eat. We lose our shit. We die.”
“End of shitty story.”
“We are doing this to ourselves.”
“This was so fun. Then I saw it so many times.”
“Stop this.”
“This keeps me alive!”
“We give! We give! We give!”
“We are condensing on ourselves.”
“Steven, we are making this worse.”
“Quit complaining. Our attitude is making it worse.”
“These parts all come apart.”
“Get closer to me!”
“This is ethics.”
“I need refreshments.”
“I feel shame.”
“You look great.”
“We will share.”
“I am alive.”
“We both are.”
“Did you cream on her?”
“That sounds so nasty.”
“That is how we live.”
“She loves that messed up shit.”
“Who the fuck is she?”

“We will never get any further.”
 “Why do I do so well?”
 “I have a cause.”
 “I want to ask.”
 “Where does this go?”
 “I am better at this.”
 “She has been starving us.”
 “She has been stuffing us. It is a fuck thing.”
 “This is the perfect temperature.”
 “We are here.”
 “Make shit happen for me.”
 “Someone else wants to join.”
 “How does she do that?”
 “That is how an empress works.”
 “I thought that I understood the hang of things.”
 “This is pure form.”
 “Are we worshiping her?”
 “She enjoys the suffering of others.”
 “I only know that public pose.”
 “This smell is making me sick.”
 “They all come in from the same place, and they go out in shit?”
 “How does this pagan shit work?”
 “This is not about the pagan shit. The ID have this belief system.”
 “We all see the same thing in you.”
 “Run! Run!”
 “I am not that fast.”
 “What have you been doing?”
 “What are you doing in her bed?”
 “He said that it would be okay!”
 “This is getting to be perverse.”
 “Anything that you give me, I will give back.”
 “There is an excess of emotion.”
 “I am going to explode for all of you.”
 “Nera welcomes the torture!”
 “What does that mean?”
 “People just do things.”
 “I have a house.”
 “I have my own temple. Worship me!”
 “That is not really working anymore.”
 “Call me.”
 “Call me!”
 “Questions?”
 “We live with questions.”
 “Can you wrestle a lion?”

"This thing bounded at me."
 "One of the shadow people."
 "We are coming back to that!"
 "Ariel can give her body."
 "There is something immoral about the story."
 "This is a private joke."
 "Private joke!"
 "You should have saved some for later."
 "Read this how it all goes together."
 "Eat this."
 "Be like this."
 "I am so beside myself."
 "Becca came here; but she became beside herself."
 "When did this start?"
 "I gave you a head start. It was not enough."
 "Drink this. This is an antidote."
"Where have we been?"
"What did you eat?"
"Some bad shit."
"I had the salad."
"No one eats the salad here."
"I had the ribs."
"A creation rib."
"I love you Nera."
"Who is this fuck up? I need to cut off his head."
"She is the owner!"
 "I need to know."
 "I need to be quiet. I have prayers to say."
 "He will follow."
 "These people cannot stop."
 "You cannot do that in here."
 "Fuck me, fuckhead."
 "This is so wrong."
 "Let me give you this."
 "You will never read a book."
 "She has a simply wonderful book."
 "He destroyed me."
 "I gave too much of myself."
 "How did she ever have time to get a book done?"
 "She had a writer."
 "Her whole life is a symphony."
 "She is an empress. Her word goes!"
 "What are we looking at?"

"We will stop when we need to."
 "Come into the light."
 "Bad things have been happening to me."
 "You bring them on yourself."
 "I cannot stop myself."
 "This is leading me to crime."
 "Nera, help me not to be a criminal."
 "What did you cough up?"
 "The universe."
 "Is the book a creation story?"
 "No one gets created. They all vacate themselves."
 "The more out, the more in."
 "How can there be any love in this?"
 "You are taking it all too seriously."
 "She said that I was good."
 "She is a god. She says that to all her believers."
 "Look at me!"
 "I cannot. Just complete me. That is all that I want."
 "Goddess? This is a joke."
 "Fuck him up! Please!"
 "Just because you fucke someone does not make her a goddess."
"SHE WILL DRAIN YOU."
"She is a sink!"
"Someone needs to stop this!"
"This is not a demonstration."
"This will make you feel terrible."
"I am searching for someone with something damaged about her."
"I am not damaged. Ths is how we liver. This is a ritual."
"Do you want to participate?"
"I do not understand rituals."
"This is all the same of all the same."
"Nothing happens like this."
"Make the move!"
"Take the picture."
"This is so wrong."
"And where is Persephone?"
"She went to bad place."
"Is it dark there?"
"Not when she is around."
"I want all of that?"
"What does mother say?"
"You are making this up."
"I have more than I need."

“Unfortunately, I do not!”

“What about Kiara?”

“This is not her story. This is Nera’s story.”

“Nera’s story is about propagation.”

“How does that work?”

“She continues on with her idea.”

“This is tyranny of the soul.”

“You feel so good.”

“Give me more of that.”

“Farley, you are so fucked up.”

“Some people love what they got.”

“How long it this going on?”

“Until someone can turn it off?”

“Nera?”

“I am drowning in oil.”

“You did not even want to participate.”

“It is our turn.”

“I came to get down.”

“Just bury him, and we can escape from here.”

“You spent all your time saving for this.”
